Rahul Manglik : Bhavaaa! You might be the only guy for whom I am willing to write a long(ish) post. Getting the bad things out of the way, I would like to begin with sorry for RPD, woh galti dobara nhi hogi. From the three days of working in Silverstone to the late nights (early mornings) in the lab, I have a smile when I look back to all of those moments. Even the second year, I learnt the most amazing things from you(bas marathi nhi seekha). Jugaad + Persistence ka perfect combination hai tu. May you short many more batteries in life <3

Atri Dutta : Bhavaaaa! Tu bahot mast aadmi hai yaar. Tu nahi hota to mai battery me kaam karke bhi kabhi gloves nahi pehenta lol. Parties me kam piya karo, kaafi jaldi bhand ho jate ho. Wait scratch that, life me infi maze karna, photography mast mast karna, aur touch me rehna!

Anirudh Singhal : Bhavaaaaaa! Most fun loving and enthusiastic I know. The BCBz or the chicken bros wouldn't have been same without you <3. Thank You for the all the memories and I know you will accomplish amazing things in life because you're the most pragmatic Mechanical Engineer I know!

Pranav Sankhe : Bhaava, tu ekach Chaava! Your enthu is so infectious; it's always a pleasure to hangout with you. Kitna randomly we went to Juhu beach and so much fun it was! It always an honor when someone shares their hopes and dreams and thanks for doing that with me. I am sure you will do great wherever you go. Also, I thank you and Patil for listening to me and saying kind words when I needed them. Stay in touch and best wishes!

Ayan Choudhary : Bhaigiri to matlab khoon me hi hai Bhava k. Munna bhai ka DNA. I'm fortunate insti me milne vala sbse pehla insan tu tha <3. Bohot kuch sikhaya hai yr tune aur mere "bhava 90s ka time matlab aapka time" vale jokes bhi jhele hain xDD. Kaafi mehnat aur lagan se kaam krta hai tu. Ek Saccha Engineer. Mahol humesha jolly banaye rkhta hai. We share a different level bond man. Thanks for all good Chicken and Bhandi vali memories <3 Teri vajah se ghar pe bambaiya bolta hu sale zuban pe aagyi hai :P DARING matlab Bhava. Rules todna = adrenaline stonks. Abhi to Bangalore me gediyan marni baki hai bhavaaaa. A true rider & plane sahi jagah pe land karavane vala hai tu. Oye, Gaddi gyi kitthe runway pe? :P

Aniket Prajapati : Bhava!!! You will be tested positive if taken a doping test. You are full of energy and always ready to work. Machine design project wouldn't be the best without you and Laalo. 1st floor was fun because of you and Somu. Thoda senior feel de deta hai tu isiliye out of respect mai thodi limited Bakchodi karta tha. But we had a lot of random deep talks ♥ Bhava bass thoda jubaan par control rakh le 😊 and keep inspiring us with your jugaad techniques and determination

Saurabh Kolambe : Are Bhava !!! Tere baare me kya hi bolu ab. Battery me tu nahi hota to pata nahi KK and mera kya hota. Kuch bhi bolo kabhi bhi bolo tu hamesha ready rehta tha. Tuze changes justify karne ke liye mujhe khud sochna padta tha. I really like that about you. You do things only if you find them worthy not just because some senior told you, and thats really good. Keep it up. Baki to tu chava hai hi...photography bhi masta karta hai, bakchodi bhi infi karta hai, tere sath i never feel bored. kuch na kuch intersting hamesha hota hai tere pass. Bangalore me milte rehna bro! There are very few people one can trust blindly and you are one of them. Aise hi machate rehna :P <3 you bhava :P

Apne ghar le jaane ke liye shukriya bhava, bohat hi memorable trip thi. Tere saath kuch bhi discuss kiya jaa sakta hai, sab interesting bana dega tu. Aur best to hai ni**a music, move bitch get out the way! Bhai Avatar to kya hi bending karta hai, apna bhaava to space time bend karke kisi ke bhi side aa jayega re. Bad boys vaala scene fir dekhenge jab milenge <3.

Sannyam Khandelwal : Bhavaaaa!! Kya charisma hai yaar aapka, ek no bilkul! "Mai tere side hi hai re" ye scene abhi bhi one of funniest cheej hai jo maine dekhi hai xD. Ek hi regret rahega ki aapke sath kabhi trip par nahi ja paye. Kafi mehant karte ho aap, ese hi lage raho aag laga doge jaha bhi jaoge! Drish Mahnot : Yaar my greatest regret in insti life is probably not getting to know you better earlier :(I'm sure you know what I mean. 4th year me apan daily enjoy kiye hai, the worst part of this lockdown is ki we couldn't finish the best days of our life in peace. Kitna baat kar sakta hai bhai tu, truly never ending talks. The most loved guy by everyone who knows you, you are truly a unique gem. Kratvesh Pandey : Bhavaaaa! Only enthusiastic photographer of the gang, manmauji, apni harkato se sabka tension dur kar deta hai bhai tu. Versova beach trip without you wouldn't have been half as much fun as it was. Football, photos, Prithvi Cafe mein mujhe dekh ke Bhava style wala dance _^_. Bc tu hi tha na jo sabse pehle Hassa tha? Diwali mein tere room par Mafia humesha yaad rahega and uske baad wall climbing wala Naya shauk bhi. Yr tere sath tere ghar walo trip aana chahiye tha bada maza aata hai photos dekh ke :')

Pujan Biswas : "Bhaavaa arrey bass kya", Naam change karde tera. Insti ka sabse purane dost mai se ek. Tere andar ki aag kaayam rakhna and ussey jyada batteries jala mat dena. H6 ke uss raat ke discussion se sachmein kaafi feel aayi. H16 mai toh mess mai infi bakchodi ki hai. Lekin bhai ka smile and attitude kaise bhul sakte hai. Machadana! Yours, Bisso!

Abhijeet Banthiya : Bhavaaaa ! ♥ Kaafi enthu and kaafi pragmatic (hail GRE :p) insaan jisse actually mechanical se pyaar hai. Your love and interest for true engineering and your eagerness to keep learning every thing is an inspiration for me. 7th sem mein aapke room mein kaafi rota rehta tha main..thank you for keeping me motivated for sop/cv and GRE prep. Your hardwork will definitely take you to great heights. All the best bhava ! Machate rehna

Phuntsog Wangchuk : Aaeae Bhavaaaa! Hamare BCBzzz ke buzurg, Viral ke Papa ke worst nightmare. Your love for MJ is only rivalled by your love for R&M. Apan first year mein neighbours thae tab socha tha aapse Marathi seekhonga graduation se pehle. Kaam ki gaaliyaan to seekh li baaki hello-hi seekhna bacha hai abhi. Itni mehnat karte ho bhava lekin chill maarne mein bhi ek number. Aise hi hastay raho bhava, milenge phir aage kabhi.

Somansh Chordia : Bhava yaha toh apne beds ke beech ke gap se bhi kam jagah hai xD I always feel you're the most apt roommate i could have asked for. Start se hi apne mere jaise introvert ko bhi itne easily open kar diya tha. Initially thoda time laga bonding banne me but uske baad kitne baar kitne zyada lambe discussions kare humne <3 Socialize kaise karte and aas paas energy kaise maintain karna bohot seekha hai tere se. Tu bohot maturely cheeze handle karta tha and space deta tha which helped a lot in maintaining things so good for so long. I wish kuch aur saal tere sath room share kar pata. Thanks for making these 4 years so joyful. Love you bhava <3

Namya Bagree : It has got to be the most fun during our JDE tenure because of all the time we spent together, be it in the lab or UK :p. Never seen anyone as enthusiastic about work as you are and is always great fun working with you! Hope we get to go on another foreign trip where you wouldn't spend all the time walking slowly and clicking pictures of everything. Abhi bhi puri gallery tere aur Nitin ke pics se bhari hai xD
