Aakash Kapoor : They say quality matters more than quantity. That perfectly sums up my conversations with you. Respect, and here's to many many more wacky conversations in the years to come!

Vardhil Mehta : Udi! Bhai, apan Team Shunya me mile the. Aur construction k time pe apna major interaction hua tha. Pata h us din mene bina ku6 jane pehli hi bar me sahi guess kiya tha ki teri bandi Delhi se h :P. Fir China me bhi kafi ghume fire, khele aur bakaiti kati h. Teri intern lag gayi ye mene hi tujhe sab se pehle bataya tha XD. You will always be my inspiration for fitness. Machate rehna bhai!

Edwin Saji Uthuppan : Dude, you are a greek god and I love that I got to meet you. I look up to your attitude to life man. Keep in touch bro!
