Sayan Roy : Vj bro, we laughed over our silliness many many many times. You have a wonderful sense of humor, it was so easy to get along with you and do silly things. I will remember poking you all times, legpulling, joking together, stealing your namkeen, have water fights in bathroom stall, your PUBG shouts that didn't let me sleep and idk how many things. We will always be the brother in arms to each other. :-)
