Kirtesh Ajay Gadiya : We both have one thing in common. But never mind it is part of learning. It is also good to be part of Warden Nominee Association! All the best!

Shubham Anand : Yo "BHAVY".. Hope you remember that in that bold and loud voice I said it in.. Bhai tere jitna movies and series dekhne waala banda nahi mila aaj tak.. (obviously fast forward mein lol).. I hope you will remember our Goa trip lol.. Aise hi chill reh..

Jatin Chandawat : Bhaviiii... bhai tu excess m chill bannda hai. Thoda effort dal life me 😂. Baki bahut memories h bey apni sath me. Right from 1st year to last. Tumhare wing m itna samay nikala h maine. Akhil k room jo mastiyan kari h apan n sab yaad rahega bahut. Summer m sath m course kiya tha. 'Anindya dutta n jo rulaya tha bhai pehle din bc'. Baki uss room kitne sare log fir rahe the apan. Aage bhi touch m jarur rehna bhai. Good Luck!

Siddhant Jadhav : Your hardwork for hostel sports will be remembered. Your tenure as sports councellor was the most satisfying year for hostel 6 sports. Aur bhai hostel ki baki bakchodiya aur VFL ki bidding bhi bohat yaad ayegi 😊 Milte rahenge

Lavish Lavish : Aise to apan Day 1 se saath hi hai but in 4 saalon mein tereko jaane se lekar aakhri 4 dino ki vo pagalpanti humesha yaad rahegi. Freshie year mein militia se lekar last year mein PUBG tak kaafi saari crazy stories hai or rather I say kaafi saari crazy videos hai, sambhal kar rakhna tere YouTube channel pe dalenge baad mein. Cheers to this amazing time and abhi Goa, Lonavala ke alawa aur bhi trips Karni hai.

Shubham Jain : Always relaxed on the outside. Remember your birthday party at Vadgaon during CTARA trip, the late night romance between you and akhil was a little bit embarrassing to be a part of :P. Sorry yaar bridge it complete nahi ho paya, but it was anyways fun. Also transpo project bhi reh gaya!! In short, It was fun whenever you were there.

Kumar Saunack : Firstly, thanks for getting my name into the sportsperson of the year. Secondly, when is my name going up on the board? :p Regarding our wing and crossies, it was a very unfortunate issue. Lazy guys, most of them (I agree with you on this one). Although, you did manage to get them to play volleyball quite regularly, which is a commendable feat in itself. Btw, I did have a plan to go with all of you for a final treat though (not saving money this time). Still waiting on that once we meet.
