Dhruv Jain : Satyammmmm. IITB Chess ke Don ho aap. Aapka enthu and love for the game and its people has made it so much stronger. Aapki vajeh se saare events easy lagne lagte the, and bohot zyada maza aati thi. You have made all the juniors feel very blessed and loved in the council, thanks a lot <3

Aditya Dev : Hands down the most cheerful person i have met barring that time when you got sick and were about to die XD. So happy to see you have a massive fan base ;). I thank you for teaching me hindi (and all the gaali incl the way to say it) and for dragging me out of my shell and helping me socialize. Dude you got a whole floor playing chess and cricket. Your micromanagement skills are insane. Also, nobody can match your skills when it comes to roasting someone or abusing the shit out of them. Its always fun hearing you speak XD. Believe in yourself is all I ask. Hope you dont lose hope again.

Shubham Jain : Yo satyam, you are one of the person(apart from satish) who stands uniquely from the rest of us. The life at IITB was so much fun, thanks to your creative thinking of the words belonging to any situation. I think calling you unofficial radio broadcaster of the institute would be correct. Baato ko agar jaldi aur bada chadhake, sab ko batana hain to baat satyam ko bata do!! . Aur haan i am extremely sorry for the first year event :p, but anyways tune second year mein jalva dikhya tha but then again back stab ho gaya. As i remember we played the first chess match in my room in H-16, your passion for chess was discovered and from there on there is no stopping you. Finally job lag hi gayi, machao!

Hardik Murarka : Satyam Singh Sengar...hahaha. Yaar thanks for teaching us a new galli everyday.Tune sach mein PhD kar rakhi hai gaaliyo mein ..ek book likh de uspe. Saala tu bahut acche se notice karta hai sab baate. Tune mujhe apna mentor banake toh mujhe sidhe Swarg hi pahucha diya ;).Remember "My life My rule and lao mein try karta hu ek baar. Bahut majja aaya bhai and jaldi hi milte hai.

Akash Sharma : Hands down me tere saath ghanto gappe maar skta hai . .tujhper humesa kaafi content hota hai batane ko ..bhai khoob tarakki krna jeevan me yahi dua hai mere 😊😊😊😊

Animesh Singhal : Chess god _/_ Gaalti dene ka bhi ek art hai bhai. Alag maza tha teri next level gaaliyaan sunne mein. Apne mess conversations toh bohot miss karunga yaar. Falyan trip toh epic ho gayi thi tere saath <3. Catan khelna kyu sikha diya bey XD XD?? Ek poora semester gayab ho gaya life se catan khelte khelte :P Yaad zarur karna aur macha dena life mein :D
