Koushik Konwar : 'The sanskari playboy' Two years was full of fun with you and the sad part is it ended too soon. I would always remember our sunny trips , mid night marine drive trips with "chicken buna and rumali roti" of Bademiya. We had so much love for "SUNNY" that even the end semester exams could not hold us back. Have a great life buddy and all the best for your acting career. stay happy, stay healthy!!

Hemant Prasad : You are the coolest roomie ever. Everyone should have a person so supportive, understanding and ever ready for any plan. I will forever miss our late night discussions on creativity and YouTube careers. You are an awesome actor and hope to see more of it soon. We should have Hyderabad Biryani sometime.

Sanoj Prasad : From 'just day scholar things' to 'bro.. did u notice' .. It was a great journey. Remember how we presented wrong code in SIP project with swag ? :D .. Baaki connections to aapke poori duniya m fele h .. if you know what i mean :p . I hope one day you make relations of Ind-Pak better :D.

Vivek Sharma : Hailing from city of Hyderabad, personality h aisi jisse sb kare yaad, insti ki sabhi ldkiyon ka database rkh bna ye chikipedia, photo ke liye pose mare aise jaise samne ho media. Famously called as Shourya-the play boy, considers dance and insta as an imp part of joy. Acting se kare ye pyaar, Old Monk ko kabhi na kare inkaar. Behtareen kalakari se isne dhoom machaya in PAF, unlimited companies ke bhare the isne JAF. Ldkiyon ko jab bhi ye dkhe in two piece, bol uthe ye "hey, bro did u notice". One of the most welcoming and charming person I have met in my lyf. Ready to participate in almost evrything he can. I think u were born with a smiling face so do keep smiling as it makes others happy. Luv u bro
