Apurv Tiwari : Priyen ke room mein milna shuru kiya then infi lit events and outings mein and the multiple karaoke sessions we had were so amazing. I regret not arranging for more karaoke sessions :(And aap pata nahi kahan kahan se kaun kaun si salacious gossips le aate the jo sunke hi munh se 'he bhagwan' nikal jata tha :P

Varun Sule : I'm glad to have met someone who can beat me in the amount of gossiping they do, though aapke information ka accuracy thoda badhado XD. I know you call me teddy but the truth is you're much more like a teddy than me, even in your sweet personality. Teach me how to generate so much enthu for everything sir _/_. It's been fun hanging out with you in whatever limited time we had. We are still up for that one sesh, I'll tell you all about the dangers of hippos then. Tab tak stay in touch!

Sanjyot Shenoy : I will always remember 'that' night. Bedbugs hatane keliye kya kuch nahi kiya tha aapne, but seriously thank you for all the love you've shown me. Definitely aapko miss karunga♥ and kabhi Priyen ke saath gaming karte :p

Samardeep Sarna : One of my very few PG friends, kaafi discussions hue hai. Comp bio me bakchodi bhi bahut ki thi aur saath BT bhi jhela tha Convinced your namesake thankfully to get over with AP ki baaki log pass ho pae XD Exxon me job diladena MS khatam hone pe

Jovina Vaswani : Hi Soham. Thanks for being a friendly and helpful TA. You are a sweet and down to earth person♥, and I wish you loads of happiness and success in life. Lots of love Jovina

Sarthak Sharma : Sohaammm! Chemical ke best TA _/_ thanks for all those foodie trips and gossiping sessions ! Kafi cool ho yaar aap (a rare gem in PGs xD) Aage aur foodie trips karenge isi tarah :p (thoda veg bhi kha lia karo kabhi please) Stay in touch :D

Bhadri Narayanan R : TA sahab ! I never knew thought, after bombing me with a thousand Qs in lab and being the mystery TF Tshirt guy, we'd become friends. It was great to have your company when I was literally the only guy from bachelors in the class and helped a lot to sail through it. Persuading you to walk from hostel and discussing about intermittent fasting to introducing me to that food place, you were one sweet human. I've admired how jovial you are, and ofc your sense of humour :p Let's grab that caramel custard sometime soon?

Unmesh Raskar : yo ssup Crusadog(yup!) glad i met you in IE615 and the first TA session outside chem canteen was my first serious discussion in ML. you probably saved me in that course. the dota nights at cafe and the walks in the midnigh afterwards are my fav memories..I also met Tejas through you so thanks so much..You are pretty smart for a chem guy :P I can definitely learn how to deal with downers from u..You are major gossip girl! But you are cool and sweet overall...Glad i met you..could have spent more time together tho...lets play one last time at the cafe when we meet..take care and keep being machau

Devesh Garodia : Hey Noob Dota player, my biggest mistake was to use the word "Cost Function" and after that i was ruined :p. A lot of ML words and full of shitty Chemical courses and ofc Rainbow ka mango shake achaa hai :) All the best for your future :)

Pulkit Jain : yaar apni insight kai bahar kabhi bat nahi hui but honestly I enjoyed those parties due to you. "Tu chill kar mai hu na, mai tujhe room tak chodke aaunga" Agar phir mile to chalte bahar, but apko room tak chodna padega mujhe :P

Siddharth Mehta : Calm?! Soft-spoken?! Good boy?! Come on sirji, it's like you met an opposite person than me!!! But I won't shy away from accepting compliments, thank you kind person. The Bangalore separation is hurting me just as much. I did have plans of selling you said contraband for quick cash, lol. You have been quite a helpful friend to me and I hope we stay in touch at B'luru too (Already learning the colloquial terms). PS. Why did we never talk about MCU! Such a missed opportunity...

Kireeti Akkunuri : Right from you hollering at me in the lab and in the department to karaokeing in your room and chatting gibberish, it was really an experience knowing a unique person like you. I'm so impressed how, despite being super intelligent in many topics you boil down all your vocabulary to 'noob'. XD I am really glad you found your tribe in IITB. Maybe in an alternative timeline I went to Rajdhani with you cos I didn't in this one, huh. That trip to Bohemian lounge was really fun! Despite some of the tiffs, it was fun to get to know and spend time with you, especially when you have so many fundae and department gossip. I hope you have a great career in whatever you like! Best, Kireeti

Akshat Raj Lad : Jaise machate aaye ho, waise machate raho..usse zyada to shayad possible nahi hai :-D. All the best for the future, Soham. Now go get some sleep :-P!

Yashaswini Chauhan : Yaar aap bohot pyare ho yaar! Itni jaldi kyu ja rahe ho (okay, I don't wish for your extension, yikes!) But SAC se H6 wale walks yaad ayenge bohot! Aise hi cute rehna aur logon ko cute bolte rehna :p

Alok Ranjan : Hey Soham!! I've said this once, and I'd say it again, you were the coolest PG guy ever. You are a really great person, and cute like a baby seal : 3 Someday if I get back to gaming, I'd definitely want to match with you xD Take care and stay in touch :')

Swapnil Agashe : Soham sir. Aap bhi kam pagal nahi ho XD. I also enjoyed our interactions in lab and CS, Dota wale talks. I wish we could have played together sometime. All the best for future.

Devyani Verma : Hey Soham, Hopefully ab aap mujhe shraap nahi doge 🙄 Last semester was fun. Kitne random gossips karte ho and you're always so high on energy! Amphan se bachke rehna 😊 All the best for your future! 😊 PS agli baar pehchaan lena mujhe (itne looks bhi nahi badalti hu 😊😊)

Tushar Kumar : Yooo...Soham, Our plan to go to Bengali restaurant never materialized. Koi na, jab bhi mile. I remember your out of bound laugh to my answer "Soumyo" to your question of famous mukherjees xD. Thanks for ML guidance....Stay in touch and remain chill as you are.
