Richa Agrawal : Rishabh, meeting you is what I am most grateful to insti for! I wouldn't have even imagined in 1st year that this Delhi boy would turn out to be the most kind, understanding and amazing person in my life. You've always supported me and helped me grow into a better person, a happier person and I can't thank you enough for it. I miss dinner at Busago, drinking at Laxmi, movies in H2, salsa dancing in Brussels, watching the sunset from the top of the Eiffel tower and jumping into a frozen lake in Sweden with you. Looking forward to making more memories in the future. Stay the awesome, passionate and sweet person I admire. Also, you have the cutest butt.

Vihang Wagh : Abe ye design waale kya hi karte hai :P. Token banda hota hai team me 2-4 photo kheechta hai aur pichle saal ki livery ko thoda sa modify karke chipka dete hai :P. But honestly, Evoke was the sexiest car yet. Chaa gaye aap <3. Apan mast vibe karte hai. Discussions lit the but best moment muzhe jo yaad hai woh jassi ki lena when on "gaurd" duty for Topi in Silverstone. Baki daaru peene reh gayi Sunny me aapke saath, baki sab toh chalta rahega ab. Milna toh zaruri hai. PS I hope you lost all that flab :P

Rashi Gupta : Dahiya broooo Ab sweets nahi, kuch leke aaya karungi 😊😊 I'm so gonna miss you. You're the one who kept me going when I was about to give up. Thanks for keeping me company and constantly motivating me, especially during PD courses. You're a really caring and understanding person, and I hope we can forever continue our friendship 💜 Take my words, you'll be very successful one day, toh tabhi bhul mat jaana 😊

Jasdeep Singh : Dhaiyaa!..I always look forward to meeting you. Vo sunny and chilis wala din yaad rahega. UK was awesome. Bas ese hi HEAAVYY rehna aur HEAAVYY cheeze karte rehna :P. Milte to hum rahenge hi..<3.

Yash Shrivardhankar : Can't forget the time at team trip boi! Got a completely new perspective towards life! Learning new stuff from you about design and from your insta posts was cool as well. Keep your dope work, would love to see your designed cars in some auto expo! Stay in touch!

Shobhna Misra : Yo! London was indeed a lot of fun with you and Archit! That boat ride was quite hilarious to be honest... xD Damn, it's quite unforgettable, and it feels weird to think that 2 years have already gone by. Let's do a repeat trip after things settle down? :) (We'll drag Archit with us if he refuses to come along?) I'm glad that we met via Racing and shared these memories (and yeah, I enjoyed working with you as well). All the best for all your future endeavors, and let's stay in touch!

Namya Bagree : Dahiya ko . se kyu replace kiya be! Best bodyworks IIT Bombay Racing will ever see indeed! Time with you in insti and at UK were the best, through all the ups and downs while designing the best bodyworks, we finally got out an almost perfect product! It was always a good time discussing stuff about Jasdeep (who clearly always has the worse design ideas). Our design will be on the cars for years to come. Hope we get to catch up soon again! 🏁🏎️🏆

Anusha Dubey : Bro ♥♥ Our first year in insti was super fun! Those 4-5 AM talks are still very close to my heart! Also, thank you for giving me the once-in-a-lifetime-opportunity to act in your film project, I still feel proud for that :P Even after a gap of almost two years, I couldn't believe how well we connected during our last outing at Poetry! Stay as charming person as you are and keep in touch :')

Subha Govindaraj : Well well well, we all know Richa was finally happy because you both got yours truly's approval. And let's not forget that she obviously loves me more. You're an amazing person and thank you for cheering me up by being the scape goat to my roasts. I'll visit you only to roast you, which might be too often to count, so, see you soon <3

Aarcha Suresh : Unofficial resident of h10, I'll miss having you around in h10 :(
