Syed Zakiuddin : Shoaib!, Soft spoken guy. humne saath milke jo VVF walo ka intern me kataya hai bhai nahi bhulunga. literally we went to plant just 15 days instead for the whole month. Daily we made new excuses kabhi tum bimaar kabhi mai bimaar. And somehow we managed to submit the final report by randomly applying analytics and getting it over. On returning we used to eat daily and I used to bore you with my random talks. Mujhe abhi bhi tujhe kuchh paise dene baki hai. Insti khule to milte hai yaar! love you!

Mayank Chittora : Shoaib bhaai...!! Intern ke time bas tu hi tha jiski vjh se hum log baroda aate the 😊.....always ready for hangout and fun 😊.....bhut enjoy kiya yaar tere saath time....or vo water park ki slides.....bhaai that was so amazing 😊 😊.....Vese to apna analytics ka group tha...par afsos 😊😊.....HAVE A GREAT LIFE AHEAD, BOY..!! We will meet soon.♥

Sarvind Rankawat : The only person jissey haar key bhee achha laga, tere aur kubbu ke aagey it was going to be a tough fight last year, but you had a better team! Life mein Sports Co ko samajhney waley kaafee kam hi log milenge, ye dard kaafee unique hai. Apna vibe kaafee sahi thhaa, mainey poorey sem teri lee par end mein aap haawi pad gaye sir and you also played the role of a better person. Tujhey pata thhaa sports cup ke liye mein kitna senti hun, and tune mujhsey chup chaap woh cup le liya (Hostel rivalry aside). I dont know how but tere wing walon ko sbko jaanta mein (just a random fact) mujhey pata hai tu kahin na kahin dikhega and apan firsey apna dukhda ek dusrey ke saath royengein

Rushabh Vora : Shoaib Bhai! Those lab courses wouldn't have been the same without you 🙏. Apan ne dono core enthusiasts ki kaafi theories suni hai and bina samjhe ignore maarke haan haan bola hai 😊. All those nights working and still submitting all the reports late (ek din to 4-4 😊😊), all those Vivas and lab exams ke preps together♥. Apna milke bas cricket ki baate Karna and insti gossips pe updated rehna was lit! Aise hi age bhi machate rehna and stay in touch bhai!

Kafi "unexpectedly" core company m ja rahe ho. Aage to aur bhi Dark k discussion baki hai, aur memes share karte rehna. Core machana bro!!!
