Kumar Saurav : Always one with the random facts. I was so surprised by how you managed to get everyone in on your fanatical devotion to CS:GO - so much time on, and you guys are still playing. That and your affection to cats. Next level dedication - hats off to you.

Shubhankar Mihir Seth : Sahil sir, aap toh Kota se hi saath the, aur yahan aake bhi same wing mein rahe hamesha. Apna 'IITB Friends' (itna innovative group name XD) itna sahi tha, pura first year laga hi nahi ki nayi jagah aaye hein. Marine Drive pe apna first night-out humesha yaad rahega! Aur aapke saath Godrej hospital mein jo raat guzaari thi woh bhi. Aapke paas duniya ki har cheez par toh facts rehte the, aur mafia mein toh alag hi swag tha. I hope that we stay in touch, and that we both win our fight against balding!

Rajat Rathi : Pehli baar tujhe wheelchair mein dekha tha after dept trip incident ka pata chala. Shakal se typical Gujarati boi but tere bhole chehre ke peeche ka shaitan sabko nahi pata. You were always the butt of all jokes, but hamesha chill rehta tha tu (ganja?) and kabhi dil pe nahi liya. FIFA mein tagdi rivalry thi apni and our CSGO nights were unforgettable. Hamesha koi na koi absurd thought ya fact leke aata tha and poori wing ko sunata tha. Haddi hai fir bhi last sem room se roz kuch khaake jaata tha. Determination hua toh jaan laga deta hai (who thought JimJam Tote se better khelega), so aage bhi macha dena! Itne common interests hai, and proper goodbye bhi nahi hua so catchup karte rahenge :D

Kumar Saunack : Never did see you play in full force. You always had some connectivity issues or lag. Btw, you should've transferred to my wing. No one knew what to do with the bi-annual supply of 5-6 kittens from a single cat. Ever thought of starting a cat blog?

Rishabh Raj : Our interaction was limited to the corridor and some here and there places. Never saw you getting angry at anyone. Respect for your dedication in taking care of the felines! Was lovely taking care of your kittens :D! Wonder what happened to them now. But at least they are all grown up and can fend for themselves :). Ek dum chill personality. Dekha jayega, aane de 🤩!!
=^.^=

Amey Patil : Yo Suppandi! Love you bro! I can't express everything in words, but I want to say this, I hope everyone would get a best friend like you who is always helping, empathetic, understanding, funny, devoted, enthusiastic, and occasionally quirky. You will always be my goto person for any random good or bad things in life. And I sincerely hope to one day buy a ticket to your movie! I believe that College life is not only about academics, accomplishments and good or bad memories, it's about how we get our personality and ideologies from those experiences which we are going to nurture for the rest of our lives! And I'll always be glad that our paths crossed in the most amazing time of my life!

Gurparkash Singh : Bhai Sahil! Talking about cinema and movies with you was always so insightful and enjoyable. Apan kitne der tak ye topic be baatein krte rehte the. I'm glad that I found someone in insti with so much similar taste in movies. The last night was so much fun and crazy. Kya kya kar rhe the bhaai. I remember being in my room at one moment and in the next moment I was sitting near the main building having deep discussions on life, politics, and future with you guys. Truly a fitting end to the amazing movie that was our insti life. Looking forward to much more discussions on life and cinema with you. <3

Abhro Bhuniya : Saiyad bro!! Sabse enthu, pagal banda hai tu!! Kabhi bore nhi ho sakta koi tere saath. Bohot zyaada inspire aur motivate kiya hai tune mujhe bata nhi sakta. Bas sad feel hota hai ki tere saath aur thodi der raat bhar ki baate nhi kar paa rha!! AAja kuch toh kar khel le humare saath. Tere cats ka pyaar, tera romantic aur life advice!! Bohot bada part tha tu mere life ka, bas aage bhi milenge aur mazze krenge!! Miss krunga tujhe bohot suppandi! Bas ek aur ajeeb cheez bolke hasa de sabko!!

Sahil Shah : Bro! What I will never forget about you is the smell of your room - never have I seen anyone so passionate about cats. And CS-GO. You are always cheerful and it was always fun chilling with you in the wing. Hope you never lose that spirit! All the best and keep in touch.

Harsh Siloiya : Yo Sahil! Tune 3rd year intern main bohot pareshan kiya mujhe with your constant csgo and anime babble as well as everyday trips to get the good stuff iYkwim :p but you're one of the chilliest and friendliest person I got to meet in insti! Do not let go of your carefree attitude (maybe a little bit) and have fun wherever you are.

Nirbhay Wadiwala : Mera bas chale to tu apang hi rahe .. I loved that wheelchair of yours and given my dedication towards keeping you happy I should've been allowed to play with it a lot more.. getting looks from your mom for crimes I DID NOT COMMIT is the highlight of my insti life ... While we met too infrequently we picked up exactly where we left off.. You're one of the coolest guys I've met and I hope you stay that way

Sanit Gupta : Mere freshie year summer ka roomie. Saath main humne woh cute cat bhi raise ki thi (although saari mehnat teri hi thi). I really enjoyed that summer and you were a huge part of it bhai. We didn't really hang out uske baad but I always enjoyed talking to you jab bhi hum randomly beech beech main mil jate the. Take care and keep in touch.

Maitrey Gramopadhye : Yo Suppandi!! Yar tu insti ka best insan hai bro! I've told you this before, whenever I felt lost or stressed out, I used to come to your room. Tujhse bat karke hi bro chill and optimistic lagne lagta hai. You're also a very strong person. Bas aise hi life ke challenges ko face karta reh! CS-GO ka hokage bhi ban hi gaya finally tu :P. Apne shared love for pets and "trips" humesha yad rahenge mujhe, bas room thoda aur saf karwa liya kar :P. Baki touch mai rehna bro :), hopefully ek bar aur ghumne challenge. PS - cats ko kuch nahi hoga, bade ho gaye hai ab :P

Ishan Tarunesh : You are one person whom I know I could ask for help anytime without any second thoughts. I am forever thankful that you got the NOC signed in between the intern. Having observed you a very closely I know you have been through a lot but you have emerged as a mature person. And the best thing about you is that you're always learning from others opinion and then carving ones for yourself. Anyone who knows you will agree that you're very reliable.
