Rashi Gupta : Ayyy boiii You were one of the first teammates I had in IDC. Tbh, I thought you were a little too rash, and umm, well, my views didn't change much throughout the four years...But what changed was my perception of how important that rashfulness has become for my everyday survival in IDC... Thanks for teaching me the lifeskill!! You've been the one who's always spoken his heart out (and sometimes you explicit thoughts too 🤔), and I won't deny, I really love that quality (not always though 😊) Still, imma miss our crazy times together! Cheers to the upcoming, crazier memories!! Stay in touch, and keep the spirit going!!!

Tarun Mugunthan : Yeh toh time peh kar le.

Aarcha Suresh : ... Bhat, Climb Sameer hill at least once before you graduate, pls. You're probably the only one left :3

Karunya Baskar : Ak aur saal bhai <3
