Kesha Tamakuwala : Hii dobi, you are my home away from home. Thank you for caring for me like crazy, telling me when I was doing something wrong and always motivating me to do things I felt I couldn't do. I am super duper happy that you went for semex because the person that came back from there was so much more fierce and independent and compassionate than the one I knew before. You locked me inside and outside our room several times, but i hope i always stay locked in your life. There is a huge world out there that is waiting for you and I want you to always aim for the sky because you deserve it. Always know that I am here for you, just a call away.

Gaurav Chaudhari : Randomness, chaos and stability. So many random walks and random outings. Plans banana and then bad me ditch marna. Phone ka battery always dead, etc. Still, you are one of the best people I know in insti. Please keep the earphones undead for few years. Ok, bye.

Athul Arun Nambolan : Yo Fatima ! It was always fun to irritate you and Pranjal in H-8. You would be almost pissed at slightest of things ! Itna machathi hai n phir appreciate karo tho rona chalu ki yeh sab tho tum logo ne bhi kiya hai. Anyways all the best yar !

Pragya Valay : Hi Fatima! Bahut jyaaada strong hai tu, always remember this. I see you striving through so many odds so awesomely, and I respect you a lot for this. Finally Biryani khane lagi order karke, I got a partner, Harshita toh hai hi warna. Bahut saare Dream Catcher banayenge apan aage, I hope we have moti in the end :P warna kisi shirt ka button toh mil hi jayega. Acha nahi gaaati tu bilkul bhi, par ab aadat ho gayi, yuhi old Bollywood classics gungunate rehna and jivan me badh jaana aage. Bahut yaad aati hai teri yippee noodles ko dekhkar. I pray we share this bond for ever. I love youuuuu <3.

Harshita Verma : Fatimaaa!!! The level of faith u have in me ki mein toh kar lugi itna toh mujhe bhi nai hota :P . I remember tu first year mein humare room mein aa ke padhti thi which I wasn't comfortable with but idk kaise i started enjoying things with you so much, tune academic life mein bahot support kiya hai :* n placement mein toh joh aapne mere liye kiya hai i can't thank you enough, mujhe 1 din mein poora guesstimate and case study sikha na <3 . Ik humare kafi baar differences rahe hai kafi cheezo pe lekin i loved the fact how we always ended up loving each other, also let's not forget how much we fight n tease each other in game :P. Tu mere saath Europe ghum ne chal na <3

Samruddhi Dodal : Fatimaa, yaar main nahi kar sakti describe kitna pyaar aur respect hai tere liye, aur kitna faith hai tujhme. Tune aaj tak vo sab kar dikhaya hai that hardly anyone with the same circumstances would be capable of. Teri zidd, vo har cheez me perfection, soaking yourself completely in what you're passionate for - I never run out of things to learn from you. Bure times me teri haat ki gandi chai aur puraane gaane hamesha yaad aenge :) I've seen you grow from freshie year sath me padhna, 7th floor pe gappe maarna to Swiss, Rome trip, but same bed pe sona is constant :P <3 I know tu life me bohut bohut aage jaegi. I just hope tu apna promise rakhegi <3 (won't jinx it here). Love u bohott zyadaa<

Mrunal Chavan : Yo Fatimaaa!! Yar u r d best best friend that insti has given me.♥ Well d list is so long abt some normal, many fun, some random nd many insane things (wo pulpy orange ki bottles yaad hain, lol🤪🤪) that we have done together. May b because of all these kabhi realise nahi hua ki when from being in d same dept se my room mate se meri itni close frnd kb ban gai tu. U r a very passionate, hardworking person nd lazy too for getting some things done. Whenever u say u want 2 do something, kabhi backup plan ki jarurat nahi padti because its guaranteed that u'll gt it done. That inspires me a lot.🤩 Keep d same spirit hamesha. Bohot kam words main convey ho jati chije tere sath (varanasi, blue types

Suditi Laddha : Thanks for being there and helping me out. There are lots of memories of us and many things that I want to say but I can't seem to find the words. So I'll just say love you, I'll miss you and keep in touch.

Devyani Verma : Hey Fatima! I am so glad I came to Zurich to visit you! I was so sick of not seeing any Indian for so long and I was soooooo happy to meet you! Thanks for showing me around Switzerland for that brief while (bahut epic tha). I find you vvvv cute and remember how we prepped Harshita before her interview? I still remember you scolding her xD Having you as a wingie in last year was fun too. All those grading ka chutiyap after exchange, tu hamesha acad office me mil jati thi mujhe 😂 I cannot wait to start another chapter of my life with you in Gurgaon ♥

Dhruvin Mehta : What can I say? Dinna Junta ain't the same without you! All the timepass at H8 and H10, the random discussions, card games and gujju talk to annoy the two non-gujjus of our gang - lots of unforgettable memories<3. And Techfest... Boeing just wouldn't have been possible without you! Jalso ane mehnat bev karti reje hamesha, and remember we still have (at least) one group trip pending! And if you ever do trip and fall (yeah yeah, the old running joke), know that we'll always be there in spirit (if not in person) to lift you back up!

Arjun Rahar : Yo fatima! We met in boeing competition in techfest. It was a cherishing memory with you. Kaafi gyaan mila aapse mere 2nd and 3rd year me. You were a very humble and friendly senior, I hope we will be in touch after your post graduation. 😊
