Ujjwal Kumar : Hey davidj wassup roomie.Damn bro I wonder how did your bear me all these years.We two coming from completely different culture still I enjoyed your company man.From playing mini militia in 1st year,to hanging out with your group and you continuously telling them ki talk in eng not malayalam :p Our political discussions,playing fifa,call of duty,eating shawarma.Bro I had my 1st drink with you(tension mt le ain't gonna complain :p) And apna remote sensing partnership from 2nd year onwards wow.You remember phone ke saath experiments and once I bricked my phone :| BC ek baar to kerala leke chal :(You are really smart man I am sure you'll achieve wonders.Touch me rehna mallu: my forever roomie

Apoorv Srivastava : I know tere paas bhut power hai, please stop pushing everyone around in the corridor. Football jaise hi khelna shuru kia tera league aa gya aur fir Corona, aur aapse football ki siksha lene ka mera sapna pura nhi ho paya. ISMP bn k bacchon ko to alg level advice di hai. Bandiyon se din bhr video call kr skte, pr wing walon se baat bhi nhi karoge? ye kya baat hai? Group to tumne insti se jate hi chhod dia tha, ab bhi mute hi kr k rkkha hoga, isliye request krni pdegi touch me rhne k liye. Please. Aur itta secretive hone ki zarurat nhi, tere achievements tere hi rahenge (:p). Final point, Water wale exam k liye tune bola tha ki tu pdh rha hai, isliye hi pdha mai. period. Jai mata di, let's roc

Diwakar Yadav : anna idli podu. :P Thats how i thought you will be but you turned out to be a lot different for good. Chillest and quietest banda in the wing, football gawd, mentor sir (:P) apni memories to alag level par hai jinhe yaha likha nahi jaa sakta <3 . All the weird photos we have together reminds me all the fun we had these 4 years. Photogenic face wali bitch thank you so much! <3

Onkar Kanthale : Hey Geordi 😊, wassup bro 🤝, it was ED lab where we became friends and it turned out that this friendship has a very long life ❤️, You are an enthusiastic sportsman, studious and creative, and a wonderful friend !! Almost all of our conversation used to be in the corridor 😂, but it has given a lot of memories to us, You always have a beautiful smile on your face, it was always awesome talking with you. Wish you all the success and happiness ahead 🤝🤝 Hope to see you soon !!
