

**ARUSHI VISHWAKARMA**  
Mathematics

**Pratibha Saharan :** Words really can't do justice to our 2 years together. But thank you for letting me be a part of all your clubs including the DWEEB club, the one that i had the honour of naming myself 🤪

**Saheli Dutta :** Arushi, first of all I like your personality most. Finally I come to know about your fantastic sketches. You are a good roommate too. Only you make me feel that knowing proper Hindi is not a necessary thing for a Bengali girl and thank you for that picture you captured in Bandra ♥. Don't forget me and calling me adorable.

**Yogesh Kumar :** Heyy buddy A responsible girl who is always there to count on. Had a great time with you and even learned alot from you. Always keep the same adorable smile ( Idk who will win pizza bet but we are gonna eat for sure :P) See you soon

**Mona Bhararia :** Arushi Vishwakarma.. when i first met u.. I didn't quite like u ( risky confession 😊).. but getting to know you and having u in my friend list is one of the best things that has ever happened to me.. muje afsos h m tujse dance nhi krwa pai.. pr logo ki bitching bhut ki hmne😂😂.. thank you for all your help, specially during placements.. I am really going to miss knocking your ur door and hearing "it's open" 😊😊.. i hope it continues to be so🥰

**Vanessa Beddoe :** I'm still waiting for that day when our hugs won't be one sided anymore. Apart from my unrequited hugs, you do make me feel super loved and let me be weird self. So you're forgiven for that. I'm gonna miss wardrobe sessions and never ending unraveling of new stuff in your room. You're a sweetheart and I'm gonna miss you.
