Aprajita Shukla : No, I do not have a twin brother. And thanks for sharing the memory! 😊 All the best for your future! Take care!

Rohan Nandy : You are undoubtedly one of my closest companions in IITB. Together with Debdeep, we have shared umpteen memories that will remain deeply etched in my heart & I shall continue to cherish them forever. It feels good to know that I could help you. You too bailed me out of problems in several instances. The sleepless nights that we spent together before exams were experiences worth remembering. In you, I found a buddy with whom I could enjoy heated political debates. The mythological discussions that we had were funny but heuristic too. I enjoyed your fickle-mindedness & unpredictable plans. Lastly, your webseries app subscriptions are something I won't forget. Let's meet once the lockdown ends.
