Bhishma Dedhia : Yo my man charssiii! Apan pehli baar H2 lounge mein mile the jab convener results release hue the. I can't even imagine convener tenure without you. Bakchodhi karte karte pata hi nahi chala sophie year nikal gaya. Tera and Disip ke banter sessions entertaining hote the and bahut yaad ayenge. Bahut roast hua hai tu be :p but you are among the most selfless people in insti. Tere bina H3 life adhuri thi. I'll miss the long hours spent in the mess and corridors doing panchayat of entire insti xD But seriously, tere se baat karke de-stress hota tha mein and I secretly wished har baar charsi mil jayein mess mein! Never lose the "charsiness" in you and Hong Kong jaakar macha dena. Keep in touch <3

Aryan Agal : Kya bhai thoda kam piya kar aur kam phooka kar, aur thoda insti mein dikha kar. Mast banda hai yaar tu. Convener tenure was incomplete without you. Yaar you're damn funny and talking to you anytime I meet you(which is almost 0 because tu kabhi dikhta nhi hai) is always lovely. HK mein pata nhi kya kya khaane lag jayega. Plox be more active on our ERC 17-18 group. Stay full of life!

Hardik Murarka : charsi boy !! One of the nicest people with pure heart man. Tu humesha help kai liye ready rahta hai yaar and I can't forget tune jo raat bhar jag ke mere ek course ka code likha tha (For extra 5 marks lol) or placement time. Tere saath cards khelne kai liye toh mein kuch bhi karlo, itna fun aur kahi nahi mil sakta . Yaad rakhna tujhe GoldmanSachs kharidna hai XD. Agar tu Hongkong mein bach gaya toh milte hai phir. All the best man !!

Puneet Kaur : Kya chutiya hai be tu 😂😂 lambu sa chalta firta haggi - cute toh nhi but funny hai tu. Tujhe dekh kar hi taras aata hai tere doston par xD kitni gaali khaayi hai tune tenure mein 😂😂 FB group par bhi sab admin hai except you xD itni baar impeach hone ki dhamki 😂😂 chemical mein bhi mast last minute padhai kari hai tune xD notes assignments sab copy kare 😂😂 but seriously, coding machaya hai (or so I think) hamesha aise hi sabko hasate rehna, hagna kam karde bete and jab bhi milega maarti toh rahungi teri 🥰 ly ♥

Mudita Rana : Charsi!! I hope you haven't forgotten your freshie year nickname 😂😂 kitna chill hai tu. Intern ke time I had to wake you up for your interview 😂😂 you were always approachable and a helpful dpc for the chem kids, humesha time pe reply kardeta tha... Some people only wanted that xD kitne kisse sune tere through gadia and pahal. I wish mai dekh bhi paati woh sab 😂😂 wishing you all the love and happiness Charsi ♥

Anirudh Mittal : How come I have never you what charsi means!? Kaafi nostalgia hota hain when the senior you kind of became friends with in the first month of insti graduates. i have felt soooo comforting you will help me always and you did that relentlessly during both the elections. Feels amazing to have seniors who will leave whatever they're doing and take an auto from H3 and meet me to just help me stay calm. Btw message to future Rajarshi, chemical%coding%Gudi%SPI 8 se kam nahi aa sakti xoxo. He'll understand what it means :) Aapne party nahi di yaar :(((HK jaane se phele badi party? <3 #GettinGoodatSenti
