Aayushi Baheti : Hey! Never got the chance to say this but you're one of the most sincere and hardworking people I met here. Thank you so much for trusting me and supporting me throughout my tenure. MIT mein machaana! <3

Aradhya Agarwal : Hi Ashutosh! It's really difficult to write something brief for you. I feel there's just so much to say. You are such an amazing person. I really feel proud and grateful to have a dadu-secy like you :P . Thank you for always being available and so helpful at all times. You were someone whom I felt I could approach with any problem, always to get a soothing and comforting response. One of the best and the most machau seniors I know, you'll always be an ideal for a lot of people in the club. Hope you have an amazing time at MIT. Thank you for all the wonderful memories you gave us :')

Aniket Ranade : Are mere pyaare Ashu, hum mile to vaise Dev ki vajah se hi the, tumhare itna pyaara aur down to earth insaan mujhe sahi mai nahi mila yaar kahi par bhi. voh mere room pe coffee piye the yaad hai na? uska raaj safe rahega :P. voh KD ki raat yaad aati hai jab maine kaam karne se jyada kaam badhaya hi tha logon ka. Viraj Singh Parihar : Insti mai jab pehli baar mila tha tab seedha, sweet bhola sa baccha tha tu, aur ab dekho 😊. Kitni cheezo ke liye thanks bolu tuje. Classes, labs, exams, re-exams, sab mai kitni help ki hai tune. Subah nahi uthata to kitne DX lag jaate, (exception PH107 midsem). You are the rare one in my life who knows the real me. Thanks for hearing my rants about academics, friends, family everything. I think insti mai sirf tere saamne hi mai completely honest raha hu 😊. Sorry for that phase when I fought with you and we didn't talk with each other :(Remember, I am just a text away, kabhi bhi kuch bhi share karna ho. Please muje chiddhana band karde. Jaane se pehle mera birthday card aur wo letter dedena♥

Mrunmayi Mungekar : Ashuzzz! Intern would have been a lot less fun and definitely lot less food if you hadn't been there! Board games at Carlyle, trip to Inner Harbor (The Day in Baltimore!), pestering Aayush to eat out, and coffeee and ofcourseeee Dr. DIXIT!!! I am glad I met you during the intern, warna I would have missed on such a sweet, innocent sa baccha! And not to forget, damn smart one! MIT machadana! And please try something apart from chicken now that you are going to US for a long time :-P

Rishabh Raj : Hola to an amazing person (Thanks for my DP)! I don't know how to describe this, but you have an aura of an utterly unique vibe associated with you. A very likeable personality, I really appreciate how willing you are to always help others. Sorry (to them too) for being a pain sometimes :|, but you never seemed to mind it. Thank you so much for that. Thanks for being both veg and non veg when it came to pizzas (made my life easier there :P)! And also glad, you have (maybe temporarily) converted to veg/left chicken :P. A friendship that started in the States, hope to see it continue for times to come. MIT me machana! Milte hai.

Nalli Satwick : The Great hearted man I've met, I regret on not working with you, fucking up that interview, but even then we worked in many things and you were always a motivation in staying happy in all situations. Pleasure knowing a person like you, and thanks for giving me that beautiful PFA family <3. cant get enough for my Insti life. Machate raho jindagi m

Bakhshish Preet Singh : Ashu bsdh ab to humble ban na band krde XD XD. Jitne dedication se tune insti mei har cheez ki hai, hats off be. Srsly super human hai vo. Mai dobara insti life repeat kr lu tab bhi nhi kr paaunga. I have said that earlier and said that again, I dont know any other person who deserved MIT more than you. And the way you have grown through all these years is tremendous. Best cordie tha tu mera, but i was always scared ki ICC mei kaise nikaalega. But you have proven yourself to be one of the best secies the club has ever seen. Trip to apan krenge hi pakka <3 .

Shubham Goyal : Suno na , *smile and wave bois* bhai itna innocent lagta he but bilkul he nahi , dadagiri karwalo bacho par , but everyone is a hustler until the real hustler walks in haha, anyway tere time management skills insti me best he , jab 3rd year me tune resume bheja tha i was like yeh merko depress krega, DR1 + 3rd year POR + infi projects, dude itna kaise machata he , kabhi tips mene li nhi , and ab to MIT <3 kabhi bhulna mat , hum pareshaan krte rhenge and aise hi sabse sweet baat krke peeche gossip krte rehna and haa kaafi machaya tha tune tenure , you know kaam se mujhe farak nahi but kaise logo aur council ko handle kia <3

Raghav Khandelwal : Are suno na! Hiiii.... :))

Anumay Ashish : Yo ashuuuu, ab tere peeche the because we knew u will always be fun to talk to and discuss every random stuff. TF Coordie year was really the peak of fun memories, but uske baad ke bhi small discussions and every techfest ke pehle ki baat cheet kind of build our bond. Thanks Ashu for all ur help. I still remember that hoodie pehen ke cute wala Ashu or that scooty par baithke "Anumay main thand se mar jayega" bolne wala Ashu. Remember us and haan Keep in touch and haan be just the way u r, true and ashuuuuu wala Ashu

Mahajan Devavrat Shailesh : It is impossible to describe the experiences we have been through even if the word limit was 700,000 words. So I will just end it in a few lines. "I exited IIT an infinitely happier and accomplished person because of you and probably wouldn't have made it till the end if I hadn't got to know you."

Arjav Shah : Hey Ashutosh!! Looks like life has conspired to take us together everywhere! From ICC to TAship and now MIT!! I am so glad and excited! <3 There's always that feeling of warmth and humility each time I talk to you! ICC me kaafi maze kiye 2 saal and Kunwar wouldn't have been handled well if it wasn't for you :) I look forward to what's in store at MIT & all the fun we're gonna have there. PS: Housing na mile to rakh lena apne saath. Tang me bhi reh lunga xD ;)

Nishit Nagar : 4 saal pehle Jharkhand se bhola sa ladka aaya tha wing mein hamari, aaj kaisa ho gaya hai. You are the best person to talk about insti politics, plan trips and treats which are never going to happen, best partner to fight for better rooms at start of each year, and best person to make fun of. Tera 50-53 ka logic hamesha yaad rahega. You are the most dependable person in the insti, you are so dependable I prefer you waking me up than the alarm. Meine aaj tak tere jinta hard working and strong work ethics wala insaan nahi dekha, How could you study when there are 7 people shouting and playing MM in your room? Start playing some games so we can play together aur MIT jaa kar bhool mat jana.

Aayush Anurag : People don't change. After seeing you for the last 4 years, I'll never even slightly believe that quote again. You've also inspired me to become better. Of your incredible and difficult journey (def cannot be expressed in 700 char), I've been not just a primary witness, but also a participant, sometimes contributing counterproductive. I am sorry for that & even for those dinner plans 😊. From first year mein gaali dene par room se bhag jaane se aaj kitna bhi do haste haste sunta hai, we have made a million memories in Insti & in US, which I'd always cherish. Thanks for always being there & helping me (I owe my CPI to you). Hopeful you'd continue to do so. You've earned that Medal & MIT♥.

Ishan Tarunesh : Arre suno, Itna kuch kaise manage karte ho bina kuch stress liye. I really admire your work ethics and people skills. Acads mein to top, club bhi chala lete, bacchon ko guide bhi kar dete ho, achi jagah intern aur ab MIT <3. Itna busy hone ke baad bhi sabka birthday plans tumhari hi responsibility hoti thi. But most importantly girl (space) friends ke goals diye hain tumne pure group ko. BnB wali story (even though fake) kuch nahi hai tumhare compare mein. Aur konse se infi outings ki baat ho rahi hai sab plan Aayush ne cancel karwa diye lol. I know you'll do wonderful at MIT also. Best wishes for future and stay in touch !

Pravin Raut : Humare pyare Aashu.. One of the most sincere and ground to earth person. You are selfless, kind hearted soul. Life mein kaafi machaya hai aapne.. that always inspires me. I always wonder how do you manage your extracurricular and acads simultaneously. Aur abhi to MIT ja rahe ho. Best luck... waha pe bhi machate raho. Thanks for all the help in academics. Apne pure Meta family ko aapka sahara tha. I will miss you Aashu. Hope to see you in future.

Razi Ansari : Ashu! Mere dost! Sweetest and most hardworking person I know, you were always there yaar... Har situation me tune mujhe sambhala hai, apne tenure ka second half kitna zyada challenging hogaya tha hum hi jante hain aur use bhi tune kitna achhe se sambhala tha! Again I'll say ki you deserve every success in this world. Kuchh bhi difficult nahi h tere liye! Aur haan ye incomplete hoga agar mene kalaghoda mention nahi kia to, aisa tenure ke dreams ko reality bante dekha humne! Insti me koi itna lucky hosakta hai kya ki usko tere saath pura ek saal kaam karne mile, tujhse kitna kuchh seekha h mane. Aur haan! Kitni gossips ki hai humne😂 Ab MIT me video call karenge hum Ashu ko!

Aman Kumar : Being a Roll baap 😊 you're really helpful. From giving acads fundae to providing study material at the beginning of every sem you helped me a lot. Thanks for all and all the best for future!!

Kaustubh Harit : Yess we were the first ones to meet each other and it was amazing to know you You have a very unique sense of innocence in your personality which brings the best out of you and never lose it. Maine tumhe bohot pareshaan kiya h as roomies and thanks for tackling me and sry for waking you up when i came late night. Hardworking toh tum ho hi, aise ki aage badhte jaao. Bohot khushi hui tumhaare saath rehke!!!

Akanksha Murmure : Heyy, 1st interaction me toh infi judge kiya tha. But 2nd year me, next interaction me sidha 'dassi' (10 spi) vale ashutosh ko mili jo senior lage the. Fir ashu baby ke saath south bombay ko saman lane ki trip, fir inter iit, mussoorie ki trip, fir KD, sab me bht maje aaye. KD me sab kuch late karne ke liye infi sorry, tumhari time managing skills aur dedication ke saamne hats off. Inter IIT me sab seniors se dar ke mussoorie gaye the, vaha thand me tum bhi (naman saijla purva praj jese) bachhe lag rahe the. Esehi cute rehene aur bhool mat jana esi lazy dost ko.
