**Vedarth Choksi** : Navooooj! In general thoda reserved but I have seen you open up over the year. Kaafi maza aya tha yaar har trips pe. Teri driving pe abhi bhi thoda doubt hai hi but anyways 🤔. Karjat trip bohut epic thi 😍. Uss din jo bola woh apply bhi karde kabhi 🤔. Also, itna lukkha elec dual banda pehli baar mila hai 🤔. Uss din randomly H2 canteen me Coke peena aa gaya tha. Tera bohut rona suna hai maine illuminate kits pe. Just keep believing in yourself bro! Bakki sab apne aap sort ho jayega!

**Veerupaksh Singla** : Novozzz. Remember that pant incident in h16. And all those mangoes 🥭. Our friendship has been through ups and downs! There are times I apologize for and there are times I am thankful for! Getting to know you has taught me a lot about life!

**Rashi Gupta** : Hello Mr. Navoj R (R=Roltu) Bhaiya kitna rote ho aap, especially because of someone! Abhi toh sb kuch Bhau ke hawale h, toh rona km krlo 🤔. Thanks for being such a good companion right from the day we met! And thanks for helping out when I needed support!!! 🤔 PS: Time pass krne ki tips bhi dedo 😊

**Praveen Saran** : I guess we got to know each other better while conducting Illuminate workshops together. Uske bad see aaj tak har din tera rona sun rha hu or gyan de deke thak gya hu <3. But mere sath rahke thoda machana to sikh gya hai aajkal (iykwim <3). Summit ke time scooty se Marine Drive jane wali raat kbhi nhi bhul paunga bhai :)). I'll miss those late-night walks, H2-canteen food, Gullu/Laxmi dinners, you randomly knocking my door, HSS course, and other countless moments we shared. Let's meet soon after this lockdown ends. And please stop removing the messages :((

**Allen Bose :** Yo bro. It was really nice meeting you man. All those course stuff we did together, the free movies and the Chennai trip... It was nice. You were my accomplice that day to many of my firsts. My first time at Chili's, first time at Hagen Dazz and even first time at bowling. Get placed in Mumbai we can do some more shit together. PS: Lvl 2 jaldi s pass hoke vo book aur calci Dede mereko.

**Kushal Agarwal :** Navoj Ramesh! Tere liye Netflix ne 'You' TV series bana daali. We were roomies in Summer, and the only time I heard you talking was when you brought that heavy crate of mangoes. 😊 You are a pathetic driver but still a fun person to hangout with. But I won't be sitting in the car with you in the driver seat. 😊 Remember I pushed you to take the leap over the hurdles? Keep hustling Black Mamba, and I know tu Mihir se pehle CFA level 2 clear karega. 🤪

**Shruti Iwanati :** Sabse chugalkhor insaan team ka! Sabne teri BT khayi hai ek ek karke. Illuminate machaya, intern machaya, abhi placements mein bhi machaega! Rona tu bhi band karde. Best of luck bro!

**Umang Chhawchharia :** Navoj Ramesh, aise toh bohot chup rehta hai but ek baar jaan lo dhang se toh bolna band hi nahi karta. Dude teri logo nai itni udayi hai phir bhi tu haste haste sunta hai, yeh skill bohot kam logo mai hai. Iske alawa tera hard-work, I still remember ek din labour nahi aaya tha toh tu hi illuminate kits banane baith gaya. Always stay in touch dude. Looking forward to our next weird conversation :)

**Kosuri Sandeep :** Yo navoj ji!! Your love for hindi neither made me learn any single tamil word nor you learn any telugu word 😊. I miss those late night walks with you post dinner. You had never behaved as outsider in the team as I always used to do. Finance mein kabhi doubt aaya tho mai tere paas hi aunga. Tu ek aur saal mein finance mein aur machayega.. Milte rahenge bro!!

**Sudarsanan Rajasekaran :** Hi da. First time met you in H16 and from then on we had so much fun. Remember those ED assignments where we would practice those questions together. Would miss those infi movie trips. You are only person I know who would be ready to watch Vijay movies again and again. And those Pongal functions where we went together. It was really awesome knowing you and always enjoyed your company. All the best for all your future endeavors!!!

**Syamantak Kumar :** Arey Navoj!!!. First year mein kaisa tha re tu, itna seedha saadha bhola bachcha. Hamare saath reh kar kya ho gaya hai tujhe 😂😂. Infinite dedication hai bhai tera \_/\_ Haan haan, E-Cell ke liye bhi 😊. 5 AM walks with you just to get chai were the best broo! And another thing I remember is kaise poore wing ko Bitcoin ka fever lag gaya tha tere profits dekh kar 😂. Itna pareshan mat raha kar bhai, everything will happen in its own time ♥. And jaldi se CFA level-3 kar le, Renaissance hi reh gaya hai apna poore Mumbai mein, ofcourse thanks to your excellent restaurant recommendations. Ab baaki PM. All the best bro! 😊
