Pramit Kumar Mitra : Beta, pehle baat hain ki woh farewell jo september 2019 mein milne chahiye tha woh toh nhi mila abhi tak. The next thing is tumare readywit aur sense of humour. Jab bhi tum baat karte ho autometically environment thora jyada majadar ho jate hai. But sabse bada hai bhai tumhara mimicry I have never heard a mimicry so so close to the original. Talented friend ... stay happy always.
