

PRATYUSH KUMAR

Chemical Engineering

Yearbook
2020

Abhay Tomar : Ab to job lag gayi hai to I hope "tum khilaoge to ham challenge bata rahe Hain" se "ham khilayenge Saath me to chalo" me *convert* hone me time zyada time Nahi lagna Chahiye. Ek anda bhurji aur chase aaloo/paneer parathe se aage badhiye 🤪 Vaise ek baat hai ki koi bhi mobile ya computer related electronics Lene ho to apna best advisor hai Tu lol. Office me Pokémon go khelne Ka time kaise niklega, ab to Brijesh bhi Nahi hai 😊.

Rushabh Vora : It has to start with "kar har maidaan fateh♥️🤪". Tujhse jyada secretive banda nhi dekha mene kabhi, aisa kya hai bc tere lappy me🤪🤪. Shakal se to tum janwar se insaan ban chuke ho after 4 years but I hope ki akal se bhi ban jao. But really tere bina S1 nikalna mushkil hota, almost sab courses saath me padna, tera nimbu pina🤪, prince of persia (in hindi🤪), H2 canteen talks, tera har wing plan ka katana🤪, Sharma ki maarna♥️, ek saath do phone se Pokemon Go khelna🤪, tera wahi ek gaana sunna zindagi bhar🤪, rathi wala prank🔥, "aap batao kya janna hai🤪",..... Now that teri PwC (NOT Day 1🤪) job lag chuki hai to garibi thodi kam kardega and needless to say touch me rehna🤪

Vaishnavi Gupta : Pratyushhhh...I wish apan aur pehle friends bane hote.. Design lab was bearable because of you 🤪 It was fun going on random walks n terraces.. You made me kind-of rethink/introspect more about alot of my beliefs, much appreciated.. Tera accent gajab hai xD and post midsem outing was fun ♥️ bina pokemon go khele bhi chala jaa sakta hai yk xD all the best aage k liye :)

Nirbhay Wadiwala : Pratyush Paraya ho gaya.. this is how your numbers saved cause you went to goa without us and I shall give you shit about that forever.. However teri party energy <3 .. youre story telling ability and your vibe bro.. abhi to party shuru hui hain
