**Thakare Pranav Bhuvaneshwarrao** : I want my playoffs money back 😊😊.. I had great time with you and Nishant on and off the BB court. You have one of the best mid jumper I have seen across the insti.. Be always like you are, except "kes kapat ja be Asaram".. Good luck for future endeavors! Will miss you bro. PS - King LBJ & Lakers rule.

**Aditya Karale** : Patrick brooo...!! One of the most cool and calm people I ever met in insti! China me tapti dhup me top most steel grid pe baith k kaam krne ka dedication rkhne wala co-manager :P <3. Ab kya hi bolu sab janta hai tu, bahut si memories hai apni... Jaldi consulting me experience gain kr le fir startup krte h (iykwim....). Bas aise hi hamesha ki tarah machalte rehna. Team Shunya <3 See you soon....!!

**Mrigank Ashesh** : Wasate bhai best person ever. Bhai tere se kaafi treat li hai but looking forward to give you too. But drinks excluded. I will miss tere haath ka fried rice. Touch mai rehna bhai. Ek do baar yaad karlena bas 😊

**Shubham Gunawat** : Where should I even start, you are the kindest soul I've ever come across. I can't even imagine anyone else but you as my roommate. You were always there like a brother taking care for me, helping me out even when we were not roommates in our 4th year. I don't I can ever thank you enough for that. You were the only constant that was there for last 4 years, and it's going to be really tough to not miss you. I hope you'll do great things in life, and be a bit less selfless in the process because you're just too pure for this world.
