Raghav Goyal : You remind me of YJHD lol! bhai tu legit khulke jeeta hai life mei and admire that about you! Design skills toh alag he god hai bro tere! Stay the same, bakchodi machatey raho life mei! and sun na :p iphone lega? xD

Sarthak Sharma : Hey Babe! can't imagine writing my 1st YB post about someone else (let's hope Tandon yeh na padhe) mujhe tere jitna support aur tolerate shayad hi kisine kia hoga :p thanks for wiping my tears in all those tough times. rr tolerate karne ke 4 saal mubarak ho ab bas 50-60 saal aur yeh karna padega. Don't forget about our bucket list of trips and convo par Pablo ko kidnap karke le chalte, BLR mai apne sath live in reh lega, also ghar se aate samay cake laana mat bhulna. On a very serious note, stop cheating on me with that so called girlfriend of yours else usse apne MMS send kardunga xD. Theek hai phir 10 saal baad apne kisi weekly hangout par yeh dubara sath padh lenge :p, baki MG chale ?

Diwakar Yadav : Sahooo brooo. Teri jitni bakchodi and kaam dono koi aur nahi karta hoga insti mai. Numerous kisse hai humare yr bakchodi ke and aur bhi karni thi tere saath. Nebin se photo khichwane ke liye rona se lekar H2 se H9 KK Blowing(Bong) karte hue jaana. <3 Bro tu epitome hai dosti ka. Stay the same <3 (Yeh line bahut jgha use karunga to jyada senti mat hona)

Puneet Kaur : Heyy Sahoo! I think lab se pehle toh apan friends nhi the. I knew you're awesome with design and that you're Prashit's friend (imagine the judgement that followed xD) You're great with dogs and I totally love that about you ♥ Dil ka bahut accha hai tu - kaam mein help karne ko ready although with an extra busy timeline xD design lab ke liye us din CS dept mein nightout yaad rahega 🤩♥ Bangalore hi hoga toh milte rahenge 😊 keep eating good food and stay in touch!

Yearbook
2020

Bidish Ghosh : Sanjeet man aka wannabe aka ops guy (& in very poor taste, orangutan since your first year DP was despicably similar to one :P) If I try to recall, the earliest memory that comes to mind is you roasting the hell out of a PG guy because he had taken mess utensils to his room (H16 ka GOD hua karta tha tu xD) Around the same time we had our design sprint in Freshiezza, and since then I guess we never looked back. Saath me design conveners rahe (at least once I had a legit reason for being 'late' to the meet :P), the shared torture in labs (aur breaks me sutta), aur finally before the apocalypse Cat Cafe ka experience. Pity I could never tag along on your foodie expeditions; gonna fix that ASAP

Ritesh Kumar : Sanjeet Sahoo, aa gaye ab tum. I admire you for your dhaasu social skills and itni badi social life ki ab hum jaise chote logon ko bhool gaya hai, bhav dena bhi band kar diya hai. Itna kya naaraz rehta hai bhai mere se 🙏. Post placement jo karne ka socha tha wo ho nahi paaya apna but milne pe tere paas time rahe to karte hain. All the best for your future and chemical@IITB kaisa laga 😊

Redasani Rushabh : Bhai...Services se elections tak...kya journey rhi h apni ♥ Ab toh banglore m fun krege apan sath m. Aaj bhi yaad h kya motivating speech dete the elections k wakt.2 min aata hu bolke bhaag jaata tha 😂😂. But still our record stands of never losing 😊

Prajwal Choudhary : knock knock.... sutta hai ? after completing it ...bhai ye yearbook me karna kya hota hai ? ;) our every conversation goes like this chaiye wo midsem me paper se regarding ho ya election ka koi discussion ya late night gossips ...<3 bhai kya formality kia jaye ispe apan ko toh sb kuch pata hai apan sb logo ke bare me esa lag rha ki bc dulhan vida ho rhi apni wo bhi rape ke bad(lockdown me jo maa ch@di apne last sem ki) bhai tu ese hi smile karte rhiye ho teko pta hai na har ladki sbse phele yhi dekh ke pigalti tere liye ;) apan ne infi memories bnayi hai nd inshalla our boys played so well ki aur bhi banayenge <3 bs ab collector shaeb bulana hai tumhe hehehe aur abhi bhut outings bachi hai <

Yearbook
2020

Bakhshish Preet Singh : Sahoo bro tu legit ek banda hai jiska mujhe dil se likhne ka enthu tha yearbook pe. Tujhse zyaada helpful banda nahi dekha maine aajtak jo literally zero returns pe help krta hai logo ki. Bina JBeam ke isse zyaada senti na ho paaegi. Keep being the ray of sunshine that your are, always love doggos and obv BJ. Horseman.

Aniket Ranade : Baatein itni kam hui hai, par har baar ek dusre ko dekh ke smile to pakka kiye hai. chahe woh H16 mai ho, LCH ke paas ho ya Sunny mai ho. Kanishk ke through aur Goyal ke through max. kisse sune honge. aise hi milke haste rehena. kabhi saath mai baithenge actually baat karne ke liye. Best of Luck Bhai!

Mukul Jangid : Bhai saho itne pyaare way mein kaise katate hai kisi ka hume bhi sikhao 😊. Secy election ke time tune bharosa dilaya tha ke hai log help ke liye meri and ussi motivation se last 2 saal sab kaam kiya hai. Tere katane ke chakkar mein jarur bohot kuch seekh gya hoon (starting from after effects). Baaki kab tu ekdum bakchod conversation mein serious ho jaata hai pta hi nahi chalta. Kisi bhi help ke liye kabhi na nahi bola tu. Last sem mein tere room pe aake help maangna was one of the best decisions. Thanks for being there bro 🧡. Aise hi mast rehna aur mil bhi lena kabhi. 🙌

Pranav Thakkar : Dude i couldn't believe tere jitna chill banda Piyush ke saath itna hang out karta hai xD seriously though Roorkee was awesome, you're as much a part of PP as anyone else <3 we've met through so many groups but I wish hum ekbaar saath me Sunny me baithke gappe ladaate. Also, your bond with Pablo is the cutest insti pet bonding I've seen, tum dono paagal kutte ek dusre ke liye hamesha rehte ho <3 stay the same dude!

Shubham Goyal : As bakhsh said common feel , sanjeet ke lie yearbook post to likhna hi he, bc itna helpful koi kaise ho skta he, and itna harami ek saath , zomato plan ki meet ab funny sound krta he xD , and itna aalsi bc ka resume bnana start kia to pasar gya, but thanks runner bane ke lie, though macha nahi paya :p baki tu online nahi rehta fir bhi PR kaise he itni ya mujhe reply nahi krta ? chat to zero kari he apan ne :p baki apni biwi sarthak ko smbhal ke rkhna and please please connect me rehna , murgh mumtaaz apna wait kr rhi , and yr kya likhu nhi pta but tu best he in many ways possible <3

Arjav Shah : Sahooo! You're unique & haven't met anyone more bindaas yet serious, funny & jollier than you! We've had a great time together! The 'explorers' trips with Manan to Chaayos, Taj, Merwans, the other Irani bakery (don't recall the name :P), ill-fated ones to Candies xD & Tea Villa Cafe were simply too good! Uske alawa the usual banter & your 'dark' fun stories with Manan were hilarious! Thanks for all the support during the tenure & ICC wouldn't have been as enjoyable if it weren't for you <3 Aur frequently saath me jaana chahiye tha! Hope to make up for all the lost time :) Aise hi maze karte reh aur machate rehna. Hope to stay in touch. Love, Baba <3

Saman Siddiqui : Sanjeet, no need for that apology! The fact that it mattered to you all this while is more than enough ♥️😊 Always stay this awesome! 😊

Kaustubh Harit : Tere jaisa friendly insaan main nahi dekha kabhi. Prakhar ka complaint box overflow hone par bhi tu sambhaal liya. Still remember the time we all got drunk at apna dhaaba. Amazing you are. Aise hi dost banaate rehna ♥️

Sanit Gupta : Sahoo, chal yaar kuch khane chalte hain. Countless baar tujhe call karke ye bola hai and thanks for always being up for it. Jitni bhi gareebi rahi hai insti life main, apne non veg trips toh kabhi nahi ruke. Pata nahi kitna khana pela hai apan ne. Food se leke novels tak, taste apna kaafi similar raha hai. I have always loved hanging out with you and tere se interesting stories toh humesha sunne ko mil hi jaati. Bahut lambi list hai places ki jo abhi bach gayi hai. I am sure sooner or later chal hi lenge. See you around

Yashvardhan Didwania : Sahooo, kya maza aaya aapke sath kaam krke H16 me. First year se hi tu itna serious tha about making a difference to the hostel, ki maine bhi thode excel sheets bana liye xD. Puri council aur GSec ko saath me gaali dena to roz ka tha apna. Now I wish maine tere saath zyaada hangout kiya hota. Finally last year me tune elections jeetne ka formula crack kr hi liya xD. All the best for the future !!

Raj Savla : Yoo Sahooo!! Apna interaction kaafi random raha hai..bichme hota hai fir vaps static ho jata hai. Pele H16 council ki vajahse, fir MI Power coordie and then finally elections. kaafi sahi admi ho yar ap, apse ek chiz to jarur sikhni hai ki kisi random person se jaake directly kese bat kar lete ho! I have missed some great opportunities of interaction with you. Bas ek floor upar rehte the yar ap. But still I know that I can contact you anytime. Also, mere travel blog me contribute karoge? ;) trip plan karte hai yar :P

Arsh Akhtar Ansari : Co workerrrr!! Sala saath mein corporate slavery karni h. Zyaada nhi likh rha kyunki abhi to apan ko apni aur memories banani h. Stay safe bro<3

Naveen Kumar Yalal : Bahut sasti hai re tu. Council trip pe pehli baar pata chala ki woh tu hi tha jo TA ko salsa pe legaya tha, bhai kitna machate ho aap ek dum respect. Bahut backchod insaan hai tu, hostel mein woh spice bana rakha tune. Design bhi machate ho, PR toh kutto se leke alum tak rahi hai tumhari. Aur elections toh bhai batao mat kitne game khelte ho yr tum. Uss raat ki convert karne ki teri aur govind ki koshish ko bhul nahi sakta bhai, bahut sahi jeete hai milke iss baar. Aise hi hasi(aur legs) spread karte rehna.

Adwitiya Rao : Sahoo meri jaan, Roorkee was super fun with you and thanks for all the election Suttas XD. Super proud to share the stage with you twice and you totally nailed it the second time. All the best for your future <3

Mudita Rana : Sahoo, our discussions have ranged from dept profs, dogs, food, and now to graphs xD I know that you're super talented and exude so much confidence - Bina koi prep ke PPT kaise dedi tune sustainability ki 🤩 I'm glad chemical made me get to know guys like you, although I wish our interaction was more. Wishing you all the luck and happiness 🍀
