Computer Science & Engineering

Yearbook  
2020

**Sanidhya Garg :** Yo VG. Joshi bhai ne jeevan mei bass ek kaam sahi kia meko mote se mila dia. First time we sat together for solving one of PH10x homework. That time the impression i made of you was "Ni bhai ye badde topper log hai, arrogant h" etc etc. But what did I know over the next few years you will become one of my closest friends. From playing baddy, cricket aur squash(jisme u still cant beat me) to having spend that time working on line follower, ITSP( though people still call it linefollower 😊). Aur baki academic, personal help ek dusre ki mast katte 4 saaal. Aur baki ek din startup jarur kholenge apn 😊 Have almost always lost contact with all old friends hopefully doesn't happen with u. Cheers( over a glass of mangoshake 😊)

**Shubhankar Mihir Seth :** VG boss, itne pyaar se aur itni sweetly gaali dene wala banda toh shayad hi kabhi milega. First-year ki saari yaadein - baar baar Marine Drive jaana, aadhi raat ko mafia aur cricket khelna - humesh hi saath rahengi. Umeed hai ki hum milte rahenge!

**Sahil Saiyad :** Bhai. Bahot wholesome he tu. Aise hi rehna. SSL to nhi clear hota tere aur churu k bina. Bahot ghumaya bro wheelchair me tune aur taya ne. Goa trip to apni kya epic thi. Waapas karte he trip ye sab k baad. Agli baar macbook le to nazar utaar lena uski zaroor se. 1st year k night outs best the <3.

**Rohan Garg :** vg bhai! tere bina insti ka koi moment nahi imagine kar sakta, and I have a google photos album to prove it. apne saare night outs, saare gaming night ins, vo padhai ke context pe saath baithna and khana khate hue laptop pe movie dekhna, 2nd year ki daily shiru coffee, third year mein nescafe shack, fourth mein gullu. allen mein jab apin paper discussion k liye call karte the, tab nahi soch sakta tha ki itni door aa pahunchenge. tune tab tab sambhala jab main bahut mushkil mein tha, and sikhaya ki khelne and kaam mein balance kar sakte hain. vo phone waale kaand ke liye sorry (and hard disk ke liye bhi :p) bhai kuchh bhi karke same sheher mein kaam to karna hi hai - apt + xbox + bean bags <3
