**Aditya Patki :** Anmol bro, ab kaha se shuru kare samajh nahi raha....sabse pehli baar toh jab tu aur jassi convo me mere aage baithe the tab baat hui thi, uske baad se 3 saal apan ne room share kari :P. Mai freshie year me padhte padhte latak jaata tha, phir uthke dekhta ki tu padh raha hai toh alag gaand phat-ti thi. Sorry toh mai sau baar bolunga toh bhi kaafi nahi hoga for all you had to bear because of me. But yaar, itne sab ke baad bhi tere jaisa tolerant aadmi maine nahi dekha, hats off man. Thanks a lot for a huge number of memories we made together. Tu yaar, hum sab me sabse jyaada perseverant hai, and I adore you for that. Bhai, aise hi laga reh aur sab obstacles phod dega tu. All the best!!

**Ganesh Chelluboyina :** Arey Singhia! I will miss your wisdom yaar when I leave insti. You were always willing to lend an ear and offer me valuable advice. And we share so many fun memories, I wish the word limit was longer. Remember getting totally drenched in the rain at Sakinaka while returning from waterjet cutting? Or the endless hours of testing? We sat up all night and day to do the Obamacare presentation. I'll always admire you for braving three endsems in one day that sem! Speaking of H12 canteen, I was once struck by birdpoo and you laughed like hell- not forgiving you for that one haha! Sorry for the pain during second year. You're lucky to spend another year at insti-spend it well! Stay cool as ever!♥

**Piyush Kumar :** Paajjji !! Mere pyare dost, tujhse baat kar k alag hi cheerful mood ho jaata hai, bhai teri logical baato se mindfu\*k bhi bahut hota hai. Tu hi wo ek banda jo meko bolta tha mijhe aur gaali de, aur meri gaalia sun k khush hota tha😂😂, koi nahi mai phone kar k ye service teko provide karta rahunga. Apan ne Alibaugh trip pe bahut maze kiye the saath me, aur kya lit video banaye the😂, ek aur trip plan karte hai lockdown k baad. Kaise rahega tu hmare bina ek saal😭. Aur tu jo meko room tak bula kar movie k liye kata tha use mai kabhi nahi bhulunga😭 Aise hi haste raho muskurate raho aur galti se bhi bhulna mat, bhai apan milte rahenge. All the best♥

**Rajat Kadam :** Paaajiiiiii !!!!!!! Sorry for almost making you half-blind in first year XD TU jo transform hua hai from first year to fourth year kaafi accha laga, from worrying about quizzes in first year to being extremely chill about endsems XD 4 saal lab partners hona.. Tumhara Racing wala enthu yaad rahega.... Chill maro thoda, wing trip toh karte hi hai!

**Simranpreet Singh :** Yo Anmol! Wo ICT wala show and tere aur Ankit ke saath wale walks humesha yaad rahenge. Mast banda hai tu👍. Machate raho aur baaki milte to rehna hi hai.
