Just keep smiling, you look pretty when you smile just don't let anyone to steal it. Wish you a great future ahead. Stay in touch.

Harshal Pawar : Kuthun start karu 😊.. sorry for ghosting 🙄 you the first time we met by saying " Kon tu, do I know you". I think you took it personally and joined IIT and took the same degree as me for revenge 🗡️ (I'm not exactly sure how and why 😊). You were like the roll beti 🐱 I never had.... Following my footsteps since 4 years, mostly the bad ones (how can we both commit same mistakes and get same grades 😊) But thanks for always being there for me in my worst.. Sach bolu toh 'Tu' hich meri beti bhi behen bhi and best friend bhi 😊😊... Ajun senti 🐱 honar naahi because we know, even after insti we would always have a treat 🍷 pending on each other 😊😊😊, so bhet tar honarch.

Arpita Mishra : Hiii Himaniii! Meri bhi insti ki peheli friend! first year m hamare wing k upar rehti thi tu, ab hamare room k side m! :D I hope ki hum duals milke mast chill aur party kare fifth year me ! Looking forward to spending time with you! :D

Bhavya Garg : 2 mahina kaat liya overacting ka batao! 700 words less so telepathy. since we realized we're cut from same cloth after marine, it's been bliss. 1st yr-"chemistry :P", tera mere room pe paya jana, sath me lecture jana cuz we turtles, invisible man wala incident XD, PH exam se pehle lift me band hoke khush hona, mess wali khidki, wo TA ka loud moojik.. 2nd yr-alag level lukkha in best room, some unfortunate incidents with both of us. Gaonwale XD, karaoke, pani wala hot chocolate, google assistant loul. 3rd yr-room with better view, leg injury part-2, language inbensen, drums. 4th yr-weird. "chale? chal" bol ke kahin bhi nikal jana, catan, momos, home visit <3, origami, t-partij. pending plans bahot hai, so see u agen phox!

Aditi Mahajan : Hello Himmu(tera freshie year wala nickname, hai na? 🍷). You are a very genuine and modest person with a biggggggg heart bro. I have so many blurry freshie year memories of us where I know for sure that we shared some heartfelt laughs. I remember going on walks and doing prank calls and all the 'freshie year things' 😂. One of my favourite memories of us would be the balcony one 💜 Kya mazza aata tha bey, fir chalte hai kabhi? Thanks for being there for me when things were overwhelming and we were just kids trying to have fun and get through the first year. And bhai thanks for the baaaap food that you make. Let's stay in touch and meet soon. Love you bro 🍷

Shruti Iwanati : Yo Himani ! Kitna saath ghume hai and khaane gye hai apan. Tera VS ki humesha yaad ayegi :P. Sabse modest and real bandi, tera chill life attitude best hai! Next year bhi agar Mumbai mein hui toh milte hai. Best of luck bro aage ke liye. Will miss you a lot <3

Vaishnavi Gupta : Bhaiiii... Mujhe samajh nhi raha tha kahase start kru..Tera 1st yr bday yaad rhega..apan jab Mumbai darshan karne nikale the kaafi pyaara din tha vo..hamesha tere diwali ke faral ka wait krti thi :p hamara aisa connection hai kitne bar same chize karte the without knowing..baaki itni bakchodi aur bonding h ki yaha nhi likh skti.. Bas placement k waqt jo tu bhaagi h mere liye literally..kabhi nhi bhulungi ♥..2,3 yr me main third wheel thi tere aur bhavya k beech 😭😭 afsos itnaa hai ki last sem apan jyada time saath nahi bitaye idk why.. Baaki jaisi chilled out sweet bandi/a hai vaisi hi reh touch me to apan rhenge hi love you bhai ♥

Rituparna Samantaray : Can't simply express in words how grateful I am to you.. You are such a beautiful person who doesn't even think twice before helping an acquaintance. Thank you so much for the help (you literally shifted my entire room). I wish I could have met you earlier to take notes on "How to be selfless". There are lots of things to learn from you and don't you think I am going to leave you so easily. Still feeling nostalgic about us talking about Mumbai rains , Local and Intern. Can't thank you enough.

You both make a crazy pair (always wondered if you guys talked through telepathy)😂 ...I'm glad I got to be a part of your craziness, giggles and laughter. You are a really kind person... I've always been amazed by how you go out-of-way to help out people. :) And you make some really great food at home.♥ I still remember Aunt's puranpolis from when you had called me home in fresh year. I had once tried to memorise (even made a list) the names of Marathi sweets you got for us but it was just too long.😂 I just regret not dropping by your room more often. I hope you keep smiling and get to showoff your cute dimples more😊. Keep in touch♥

Divya Maddu : Hi Himani. Though I had met you during MI but I really came to know about you during my last year, via Bhavya. I always found you very supportive person and super caring person; especially given the fact that you used to visit Bhavya so oftenly that I used to feel... She has got such a great roomie! Though you maintain a low profile, but I'm pretty sure many ppl would be missing to befriend such a caring person like you. Take care, given that you would be in the Insti for one more year, enjoy to the fullest. And don't panic that everybody has moved on in their life. At the end of the day, everybody is just going with the flow hence you don't have to worry much about catching up with your

Riya Singh : Hi Bandi No. 4!!! that night of trekking <3 apne conversations keval mess table tak limited the phir bhi tujhse ek dil ki dor bandhi si h. Tere bas sath hone se achha lagne lagta h and mai apne saare gaam bhul jaati hoon. Apni crazy baatein uss level pe h ki koi competition nhi hoon. Apna 11 baar pregnant hone waali mahilaon pe conversation yaad h - "mai toh regular customer hoon, thora discount dijiye doctor sahab!!" Hum tumko kabhi low nhi dekhi hain. Tum humesa khush rahti ho jo ki tmhe positive energy ka source banata h. Always stay the vibrant person you are <3

Sowmya Ravichandran : Hey ex-roomie :P We had some of the craziest times in first year, roasting Vaishnavi :P, having late night conversations about life when we have a quiz the next day and many more. You're a gem of a person and I wish we had hung out more after the first year and got to know each other better. But better late than never right? It is amazing how much we relate to each other and I have always loved the conversations we've had. I am gonna miss you a lot, and I really hope we all stay in touch. I am just a call away if you ever need your personal therapist :P Love you <3

Kavya Bhandari : Himani kitne words boli? 1...2...3...4...5... Phirse! XD You're one of the sweetest people I know. I was always so comfortable around you from the start. We've had a lot of memorable outings and after-partys. Havana is one of my fondest insti memories. Going to miss our group of 4 NSS AAs, we somehow fit in so well together.

Pragya Valay : Hi Himani, I don't think humne kabhi lamba baat kara, par jab bhi you saw me, dekh kar humesha smile kara. Un smiles ke liye thank you. Acha karna life me <3

Kesha Tamakuwala : Hi Himani! From the little time we interacted, I got to know how caring and hard working you are. I remember you going out of your way to teach the one mess vaali didi who was actually interested and it felt amazing! Uske baad hamesha smiles exchange karke acha laga, Hope you do great in life!

Anupradiksha Rajan : First year me exams ke ek din pehle saath me padne se lekar final year me chai ka recipe discuss karne tak, we grew up. I, you and Bhavya had one thing in common: apun ko dar lagta tha ki apun ko exam ke liye dar kyu nahi lag Raha. Abhi I am missing that 'dar lagna ki exam ke liye nahi dar lagraha' Tera laughter pace se lekar Abhi tak same hi hai, bas hair style change Ho Gaya, vo bhi last year me. Stay the same!!! Best of Luck!!♥

Saipriya Satyajit : Hey Himani!! It was really great knowing you. True, we became friends quite late, and I wish that wasn't the case. And, you are also one of the most modest and sweet people I have met in institute. I will always remember our little team ups to roast praduymn 😂. Hope you achieve all you want in life! All the best for future endeavours 😊
