Aniket Ranade : Are bhava namaskar! IIM-C candidate re lai machavla yaar. Har bar pch karne vala aadmi aur sab khudse karega sochne vala tha yaar tu. tune aur ankur ne meets mai infi bakchodi kari re maja aaya kaafi. KD last year vala aur iss saal ki road painting ekdum mast thi yaar. Birthday tera to cringe-worthy tha ekdum hi. Thanks re tune aur Ashu ne TF ke sem mai karva diya kuch nahi to aur ek saal ruka hua hota yahi pe mai!

Sahil Dixit : There hasn't been any other person in my entire institute life who has constantly and consistently always helped and guided me. Without caring for my noob questions, you were the one who were there throughout. Aapne kitna machaya hai wo to alag baat hai, uspe bolne me wakt lag jayega, so won't do it here! Visru naka sir _^_

Bhadri Narayanan R : Devvv! Our bond started from silent sport secy days where we did everything we could from triathlons to crossy stickers to win the GC for our hostel. I've seen you grow tremendously during our tenure and so glad we got to share so much time in insti together. You are one of the very few people who held the no alcohol policy through all the years and I have so much respect for you. Our hyd parties were fun and hope you recover from the scar that ranade left on your brain that night. Keep gymming and have fun!

Ishan Tarunesh : India parents ka sabse bada sapna pura kar diya tumne IIT + IIM. Ab to Aayush se jyada paise milenge matrimony sites par. You really do have thorough understanding of a lot things from multiple perspectives. It was fun discussing things with you because nothing was considered as granted, everything was debatable. Scratch se boundaries decide karenge kabhi to. Tab tak ambiguity ka fayda uthate hain. Ashutosh aur tumhare itne close friends to maine dekhe hi nahi. I wonder how this long distance between you two would work. Best wishes for Management ! touch mein to rehne wale hi humlog. Kuch nahi to 2 saal baad NGO to khol hi lenge

Aayush Anurag : Chaaro saal, din mein agar 15 baar paani bharne ya washroom gaya hun, toh 10 baar tumhare room jaror aaya hu, aur hamesha thora inspire & englighted hoke nikla hu coz of your fitness (Swimming nhi sikhaya 😊), your efficiency & speed in whatever work that you're doing, your dedication & your don't give up and never procrastinating attitude (Har baar exam ke ek raat pehle BT khaya hun ki tu syllabus complete kar movie dekh rha hai xD). Thanks hamesha gate kholne ke liye aur Sorry RG ke liye. Tumhara transformation dekhke khushi hota hai ki tune Resume points Rain karwaye aur lastly IIM ja rha. FIFA mein toh tumhara manobal badhane aur chehre pe smile (real victory 😊) ke liye jeetne diya.

Nishit Nagar : So many antics we did together, xlr8 mein rule break karke fastest car banana, bottle toothpaste flipping video aur ashutosh ko sataana. Har field mein talented kaise hai bro athletics accha hai, CPI bhi, aur upar se Manager. Amount of confidence you have in yourself and your abilities is amazing, tujhse seekh kar hi placement hua hai. Tere mere aur ashutosh ke discussions yaad aaenge. Kabhi mujhe bhi FIFA sikha dena.

Ashutosh Kumar : What would have I been without you? You always motivated me, pushed me and supported me. It never felt that I knew you for only 4 years♥ I know many experiences are waiting for us so shouldn't I be excited about them rather than lamenting over these 4 years 😊

Viraj Singh Parihar : Bhai, 3 saal kitna tang kiya hai tuje, kitni baar teri neend bigadi hai, bhand hoke aata tha to kitni baar room pe tune sambhala hoga. Dukh hota tha bhai, jab internship season mai tu BT khake room aata tha, but finally Day1 phoda placement mai aur ab IIM C <3. Level banda hai bhai tu badi company mai machane wala hai aage. Room pe itna padhta rehta tha tu bc, par kabhi mai motivate hi nahi ho paya usse :P. Barca ke to kitne matches dekhe hai bhai apan ne, jyada BT hi khayi hai XD. Thanks bhai itna tolerate karne ke liye muje. All the best future ke liye <3. Milte rahenge

As managers and uske baad bhi, Tere jaise dedeciated kam log dekhe hai, jo thaan lete hai ki "if I complete sth, tabhi I will enjoy everything else". Apan roomie the aur sachme being complete strangers we developed our bond kaafi jaldi, and I hope aage bhi yaad rakhega tu. And haan IIMC ke liye all the best, machayega toh tu waise bhi bina bole.

Rohan Potdar : Football se jyada Varad was our primary reason of interaction, Shethgiri se mat yaad rakho mujhe 😂 Anyway, I know you for being a typical JP student and your stint in the insti showed how talented you are! All the best for your future! Mumbai madhech ahe, bhetu nakki parat😊

Nithin Kumar : Dev bro! Grateful man but it was actually effortless to help as I knew you deserved all of it. Congratulations and wish you luck and success for what's ahead. Cheers!😊

Pushan Bal : Dev! Thank you for always motivating me to study for minor. Meri minor degree khud ki hai hi nahi. Tum sab log nahi hote to kab ka give up kar deta. Revising with you was always fun. Its not the talent that matters but the hard work and you have proved that. Mast abhi suit boot me ghum. That day at tekdi with ranade was one of our best memories. Stay in touch!
