Sarvind Rankawat : Netflix Mein job lagayenge aapki pakke se. Achha hai mera samaan tere room pe hi rehta hai, time pe mil Jaata Hai isi bahaane. Final year was awesome, and you were an integral part of it. Our summers outings were lit, we will try more mocktails bro

Kirtesh Ajay Gadiya : The only guy from our batch to have successful semester exchange. And how can one do two courses in one slot will always remain a mystery. Be wild always!

Avish Avinash Wagde : Aapko College join krne se pehle se janta tha, ek bat batata hu from the start mere friends aur me ek point pr hamesha agree krte rahe hai, ki aap gentleman insan ho, aapko dekhke it always felt like "I want to be like this guy". I didn't get the chance to discover how awesome you are but surely you were a lot than what you showed, thanks for all the guidance. All the best for life ahead and Don't worry I will always keep bothering you from time to time 😊

Aditya Biniwale : Civil chill hai? yeah I do agree ki kafi chill hai, but kya civil labs chill hai? NOO WAY . Bhai sath mei milke nikale hue fake readings and acceptable range mei error lane ke liye manipulate kiye hue calculations, and majdoori karte time kari hui backchodi iske wajah se hi infi chill rahe hai civil labs. Tu lab group mei naa hota toh bahut boring ho jati lab! And apart from that mast chill banda hai tu, eise hi machate rahiyyo

Arya Mithu Garg : Bhai mast chill banda hai tu, never have I seen you take offence on anything or get irritated by us :P I really really wish humara thoda aur interaction hota 2nd or 3rd year me, I was told ki Yash thoda naraz that because vo sab tujhe marne vale plans ki vajahse, I am sorry bhai if uski vajahse kuch affect hua. Last 2 semesters me kaafi bonding hui. Tere room pe itni saari backchodi, even on our last days, sab log bole ki bhai Lakade ka room kholo baki jagah feel nai ati. Goa bhi bot LIT tha, kaafi maze mare, tune to specifically :P And thanks for Supervising us build submarine and jo bhi kaand kiye hum logone. I hope that there are many more trips to come :) Stay the way you are

Animesh Singh : My fingers are cold while writing this. It shows the chillness radiated from you :) Extremely careful planner who doesn't waste his time by going to the class as you have achieved spiritual supremacy. Tere patience ko koi nahi bhul sakta in planning trips and making them memorable. One man army in this work Your maturity is much beyond your age as only a few people can keep Arpit in check All the best for your life that you lived till now without any compromises proudly

Arsh Akhtar Ansari : Roomie <3. Sorry for the story but it was based on true incidents. We are the most chilled pair of people in history of engg but we always came into an action when we had to kick each others ass. You are one of the most sorted person in insti. Choosing semex over other options you were so clear that you were cross convincing to rethink about my option. Tbh it would've been cool if you were here in 5th sem. Your movie knowledge is at par with me & Arpit. You are really mature and give some of the best advice. Lets hope the trip comes through and we have few more moments to remember

Kumar Saunack : Always sticking to the same recon role. That too with the same gun. You should add a bit more versatility to the game, otherwise you're liable to get knifed everytime :p Sad that you missed the last game in college though.

Arpit Kedia : The ones you are closest to get the worst of you. And you always dealt with my worst. Aadhi raat ko neend se uthke tension bolta hu aur sab thik lagta hai. IH wapas jana best decision tha. Tere room pe baithke kitna time kata hai. Tere kaafi decisions questionable lage mujhe, but you stuck to your guns and proved me wrong. Your placement was one of my happiest days. Kya hua agar tu acads mein strong nahi (sorry xDxD), logon se deal karna koi tujhse seekhe, always helpful and understanding. Outings, MM, GRE prep, 'cult', trips, ngp treat (org huga tu ne xD), your drunken state :D, ye post inn 4 saal ki memories ke liye hai, aage bhi jhelna hi meko. Chill reh ke machate reh. Until next time :)

Kumar Saurav : At least one person who matches my attitude with exams and life 🙌♂️. We're so cool that we're chill 😊 (forgive my joke - I'm still learning how to make good ones). I remember that we were the only ones who took the initiative to search for new places to eat. That Aromas lunch that I took you to was not the best cuisine - their breakfast is way better. So there's at least a brunch remaining. And about that Risk game - never again. It was way too much 🤖🤖

Himanshu Bohra : Babaji ki booti 🌿 Hamare nashon ke moderator. Tum nai hote to wo train kabki derail ho gayi Hoti. Bahut Kam log hai Institute Mai jinhone mainstream cheezein chhod ke kuch alag pursue kiya, you were probably one of them. Pata nai kaise har endsem Mai Sabse zyada chill maarke bhi tu kaise itne number le aata tha. thank you for the Manali trips and hamare nashon Mai join karne ke liye. You will always be my first snapchat hoe Bahut hi sophiscated banda hai tu, Netflix aur bistaar se upar uth Jaa bhai baaki jaldi mil bahut saari trips karni hai tere saath PS you will always be my fav bitch ♥♥

Praveen Saran : The coolest guy ever! First-year mai mereko lgta tha ki tu college aake kuch jyada hi chill ho gya but 3 saal or sath bitake pta chala tu hai hi aisa <3. One thing I will always admire about you is that you followed your passion no matter what people say. I'm really really happy ki tera Tata Projects ho gya, you deserved all of it. Sir, aap nhi hote to wing ke trips nhi ho pate (be it Manali or Imagica), thanks a lot for that. Or haan Goa trip ke bad now I trust ur driving. Will miss your coolness! Stay in touch :)

Kevin Shah : Bhai Lakade! Semex ke kitne fundae diye bro thanks xD also mehengi daaru and chocolates bhi khilayi xD aadha wing toh sab saath me hi ho, saathme hi rehna, and Mumbai aao toh milna, bat se nai maarne aaunga xD

Aayush Anurag : Lakade Man, seriously you're the coolest guy that I met in Insti. Your Jo Mann Mein Aata hai Karne ka attitude hai makes you one of my favourite guys. Bhai woh 1 mahine BT summers mein tu hi akela milta tha mess mein. Kaafi Patla hote ja rha hai, usi ke liye tha woh Aromas Treat 🤤🤤. Tera walking style mere se bhi weird hai 😊. Tera TATA mein hua, toh bohat khushi hua tha. Just wish we would've hungout more. Kaafi Trips kiye hain tune, kabhi mere saath bhi trippy ho. 😊

Nikunj Mohota : Semex karna hai yaar, courses map nahi horey, scholarship hai kya? I was about to submit that Mines ka application that day, pata nahi 10 lakh kaha se lekar aata XD. I hope vapas milne ke mauke aate rahe, maybe with old monk instead of that duty-free wali daru. Aadat lagalo sir!

Yearbook
2020

Harshit Sanjay Kothari : Bahut chill ho yaar aap. Conversations with you have always been very chill and frank. Freshie year mai MoodI mai kaam kiya tha apke sath. (Just reminding :p) Congrats, placement jo firm mai chahiye tha, wahi hua. Good luck ahead. ;) Ps. IIT home/Nagpur aoge to milte hai.

Sanchit Jain : Poora din Day 1 placements me mera runner tha tu. Can't thank you enough for that. I will never forget you were the one with me in that very stressful day. Also mera NUS ke semex ka payment tune hee karaya just 30 min before the deadline. You are a saviour yaar for me. This person had the least attendance in the classes. Poora din soyega ye and class miss karne pr koi tension nee. Apna mast civil contracts uthayega , business karega and paise hee paise chaapega. Semex me khud kee car khareedee, driving seekhee and aane se pehle bechkr aaya usse. Machata hai alag. Teri advices bahut valuable rahengee. Agar kabhi tujhe zindagi me koi help chahiye ho , it will be my pleasure to help.

Mahendra Singh : I remember the night before tata interview you were preparing with me and Animesh, uss night muje lga tha isko Himalaya ya America koi ek ki jrurat to pdegi. Bhai tujsa sorted and chill bnda nhi dekha. Bhai tu Hanuman bs tujhe teri shaktiyon ka ahsas nhi hai..... Bs eggs khana continue rkhna. Milte hai Bhai.....
