

ROBINCE KUMAR

Metallurgical Engineering &
Materials Science

Pranay Raj : "Main toh superman, Salman ka fan." Yahi attitude hai tera life mein jo bahut sahi h. Ekdum careless, duniya ka koi tension hi nhi. Bahut long night discussions chale apne. Bahut kuch seekhne ko bhi mila tumse. Ek hi regret h, pubg nhi chaalu krwa paaye tumse. Ab toh Japan jaa rha h, mazey krna jaise already kr chuka h. Hm bhi aate h kabhi. Saath me ghumenge phir. COVID k kaaran May waala trip toh nhi ho paaya but chalte h kabhi kahin saath me.

Aayush Anurag : Robince bhai 🙏. First year apan jab lab mein mile the toh bahut seedha maggu types banda laga tha. But reality mein bilkul ulta nikla. Ekdum fearless aadmi hai bhai tu. Tere kisse aur kaand (Japan wale specially 😊) toh yaad rahenge. 6th sem mein roz apan ground pe jo milte the aur Labs ke baad hostel route pe kaafi mazaa aata tha. Japan mein bohot sahi khel gya, hope aage bhi kisse sunata rahega.
