Nisha Satish : Murrah! Mera favourite. The one whom I share my name with. #satish&sathish diaries. Cycle mein doubles kiske saath jaungi abhi? Volleyball kaun sikhayega? CR kisko bulao? Kiske saamne roungi? Date pe kiske saath jau? Exercise kaun karwayega? Flirting kisko sikhau? Mera dekhbaal kaun karega? aur mumbai locals mein travel kaise karu? You have been a very important part of my journey. 3 saal bada hota toh tujhse hi shaadi karti. And I am not gonna share you with Tammu! Yaad hai whom you chose? You have been my pillar of strength. I am gonna miss you so much Murrah! Tere mommy (dono) ko saath mein manaayenge, shaadi keliye. What say?

Priyanka Gogoi : To the most weird person on this earthh who claims to be my son but has not a single quality of myn...but yes you are and you will always be my dil ki pass no matter whatever you do...but tune rulaya bhi utna h hai ...Bhagwan kare tere jaldi shadi ho jayein and mujhe bahu mil jayein...else I can't save you from anymore...will miss you a lot and teri "No Mummy , no mummy" karke mereko maanane ki aaddat....will miss you my dear Murrah

Himali Mhatre : Unlike you I am not good at a single sport ! But thanks to you , volleyball ke rules janane se pehle mujhe 'referee' banane ka mauka mila !

Ananya Sarangi : aaj realise ki hum dono cyclone partners bhi hain. pata hai 601 mein bahut pareshan ki. aur bhi projects mein pareshan kiya hai but 601 mein max tha. ushke liye sorry. still dont know mera naam tune rowdy baby kyun rakha tha. par CR jesa koi nahi. jhagda bhi kiya aur mazak bhi kiya tere saath. par tune kabhi mind bhi nahi kiya. bahut kuch sikha tujhse....Patience, tolerance, sports bhi sikhna chaha par ho na saka. Par tujhe hi role model kar kabhi na kabhi toh koi ek sports sikh hi jaungi.. MoRD agar sort out ho jaye toh dekhenge kahan milte hai hum delhi ya work from home.

Gagan Gautam : You used to manage and motivate the team really well. Bas second gold for department pending ho gaya.. Keep on playing volleyball

Aman Srivastava : Satish, you are my one of the best friend at CTARA. I believe you. Because of this faith, it let me tell you a large number of anecdotes whether you wanted to listen or not. The classic nature of you is that you listen to my everything without showing you getting bored, but the reality was....you were bored a lot by me.. :). Thanks for being the MoRD Fellow as this will help to continue this trend for an another year!!!

Sakshi Pandey : Thank you Satish for writing, I never expected it! 😊 We always had this bittersweet moment together, thanks to my introvertness! But I should tell you, I admired you so much playing volleyball in that court, ahh! And yes, you are a great dance partner 😊😊 All the best Satish, I know you will go much ahead in life!

Anshul Kumar : The most genuine and heart touching statement someone wrote on my yearbook is by you, thanks bro, and also brother i will always remember the times you are pushing me for volleyball 😊, may be because there was no alternative 😂. Also i remember the day when u brought volleyball medal in one of hostel GC when i was not there in final match, thanks brother

Nilesh Vadgave : What should I say! I like your spirit and dedication for sports. You made us play different sports and helped us to keep ourselves fit!! Being a CR, you always listened to everyone and took lead in celebrations!! Tune first year mujhe bina baat ke kafi pareshan kiya hain. Will u pls stop asking me same and repeated questions!! We always had productive talks being Council members!!!! Hope you have big plans after your fellowship!! keep going!..... aur kitne din single rahega..Pata le koi jaldi se!!!!

Khaire Abhishek Vinayak : Machha... I remember you from supporting to to become CR to the day we met last... In between due to my volatile nature I made you listen many things... But I forget everything as it ends... You are a remarkable sportsperson... I'll always appreciate your calmness in games as well as in life... All the best for future endeavours.

Swagatika Priyambada : I liked the way you took responsibility as our popular CR, and dealt with batch mates and professor. You had worked a lot to bring unity in our batch by taking the pain to organize many events like Raksha Bandhan, Friendship day. We have fought also but later we became friends. I enjoyed dancing with you in our several bus trips. Will miss you bro... Take care, and have a great career ahead

Lahari Yaddanapudi : Satish.. the person who coined the word "Potti" for me and now Piggy and Thiru know me as that, they wouldn't recognise if somebody called me by my actual name :/ Nen kaadu nuvvu pedda kantri.. nee veshalu chudleka chacha. Akanksha Chavan : Even we will pass out.. U will call u CR only. I remember the projects we done together. And I remember the work load on you, when we only two were suppose to present... I still wonder, how u got good grades even u spent almost all of ur time on ground...will miss those fights with u... And never forget that u stole my mask before going home😁... Stay happy as u are😁

Thirumal Reddy Vennam : I never had to say a word to u and u always get me. But here is something you can read. Took your number during orientation but never spoke or chat more than few sentences. We spent most of the time together excluding few projects. Breakfast to dinner, Morning jog to night volleyball, first class in the morning to midnight cake run, project discussion to program planning. And comes 609 of all the stories I heard I still feel we had the best time. Learnt many things especially managing. Still much to learn, hope one day I take on ur shots smooth... That's for the limit, many more to say but never needed to say any Stay as best as u be...

Ankit Raj : Anna !! "Anna 24 ghanta chaukanna" .. This phrase completely suits you, our most sincere and dedicated secy. Your contribution towards sports is remarkable. We started with H4 common talk and soon become brother, you were the saviour in Hostel Volleyball GC, I still remeber, you said "Mai sab dekhlunga" and built entire team of your own and bagged with a poission. That was a proud moment for me and entire hostel. Even we love to watch your game and smash you hit, last but not the least your expression if something goes wrong. Enjoyed alot and hope to see you soon.

Swapnil Labade : Our CR... DEAR Murrhaa..... I like your way to manage all activities, specially you always have time for sport.. Sabake B'day ki responsibility tune bahot sahi liyi.. Thanks for that. You represent our class very well, so i think your best CR... We managed all work of council successful and enjoyed lot with you.... I like your snap in class... Thank you for the part of beautiful days and Best of luck for bright future....
