Anuraag Tummanapally : Some bad jokes + au courant + techie + hard-work + fun = mark. Will definitely miss you. Good luck with your future endeavours..

Kurapati Hitesh : If making bad jokes is an art, you are picasso of it. You may bring medal(not lab name) if Olympics have this as game. Always committed to work with sincerity and discipline. Eating every other food like you eat Dosa and drink Buttermilk is my target. A person with lot more hidden feelings. You can survive a storm all alone. I miss watching movies with you. Hope you may find one more Hitesh and I may get one more Arun in our lives. P.S: Don't forget to leave you MARk everywhere you have been through

Swati Meena : This is Arun- Masters in B+iJ. Hobbies- Step_set_go and asking a lot of questions, aapke liye year book nahi question book hona chahiye, doosre ko hostel mein jaake unke khane ki burayi karna but bina break ke khate bhi rehna ;). DON'T BE LIKE ARUN!!!!

Patil Akhilesh Subhash : The silent researcher in EE, IITB who has almost worked with all EE1 professors, you name it. Famous in EE office. #respect1.
