Badminton

Prakhar Jain : Ranjan brooo. Bhai tu machata hai. I enjoyed the numerous adventures with you in the last 2 years. You are a true friend man. You have always been so helpful and I felt very comfortable talking to you about anything and everything in the world. Tere saath infinite treks, Gym session, trips, weird hangout, creepy talks, enthusiastic conversation about formula 1 etc etc Mein kaafi mazaa aaaya. Tune kaafi weird cheese bee karee, uspar tera kaafi mazaak bhee urhaya. Dmart scam tune kiya and karma spoke for you :). You are my friend in need and I love you for that. Let's stay in touch in the future. Love you man :). All the best for your future

Ravi Kumar Kushawaha : Yo brooo!! You are the most innocent person I have ever met in my life. Tu kabhi gussa nahi hota, sabko help krta hai, simplicity level infi++. 2nd year mein apan raat bhar badminton khelte the. Tera room wing ka common room hota tha. Remember your two line wali stories, "Honour" instead of owner. Tera hi logged in prime video chala rha hu. Always stay the same bro. Keep in touch.

Mohit Madan : Hello Ranjan. You are really a ground to earth and simple person. You were always there to order food and go out to eat when no was there. Bahut bakwas baate kari hai tune aur equally suni bhi hai meri :). Let's stay in touch in bangalore.

R Aditya Narayan : Hello ex-roomie. I've been bad to you before, hope there's no hard feelings there and I made up for it with my niceness now. Do what you're passionate in bro, I've seen you speak about so many things with passion. Stay in touch!

Yearbook
2020

Darshan Tank : I cant even write your nick here xD Bhai, tu hi akela banda hota tha wing se jo late night khane ke liye, ya lab jaane accompany karta tha. And gym buddy! lol, gym! there were days when you used to talk me into going, and there were days when I used motivate you into going. You are really passionate about finance, don't let anything else diverge you from your goals. Thoda laziness kam kar, baaki macha dega tu life me :D

Pramey Singh : Ranjannnnnn! Most lovable wingie ever. I aspire to be as chill and as settled as you. Show them overly tensed finance people how it's done.

Awanish Kumar : Yo, dudeeee, teen teen roomies mile insti life me aur usse pahle bhi bht mile but tere jaisa chill down to earth and cool roomie ni mila, ab kaise servive karega apun, gurgaon hi aaja tu bhi job leke please 😊. I have seen your good side which I guess not so many people have seen because you keep it hidden. Gym kar kar ke biryani khana, cheese dips khana aur fir sochna ki gym jaa rahe to body to banegi na😂😂. Time machine bane to 70s me chalte hain bro. Tere 2 line wali stories ab kaun sunayega 😊. Jaise bhi rah jaha bhi rah mast rah jaisa hai vaise rahna baki kya hi bolu. Haa tere liye mere living room me hamesha jagah rahegi 😊.

Ritesh Kumar : Bhai, kuch hi log hote hain jinse sab kuch share kar sakte hain bina soche, you are one of them in my life. Kitna haste hain hum jab bhi milte hain. Tere and Awnish ke saath ka lukhha epic tha, and the clubbing night ♥. First year me hi mil gaya tha tujhe but hostel change and fir jab bhi mile elec ka rona 😂. Then final year ka Mood! ♥. Finally tu baddy khelne aaya, kaafi ambitions the tere ♥😊 but Corona ne Hope you have a great journey ahead.
