Nakul D Ghatе : Yo padosi! Bhai apan ne final year me infi rock kr dia speakers bajaa bajaa ke. Bhai tere se inspire hoke posters laaya tha bc lockdown ho gaya :| But yeah tera QIC ka exam na dena, it was all part of a plan. You saw it through bro xD. Thanks for helping me out with everything and yeah i want to say dont stress too much on things. Wish you all the best :D And yeah jaldi mil bro brownies ka plan krte hain ♥

Rahul Dandwate : Chai Buddy Bro!!! So many memories with you man, from those drunk times at Sunny, Laxmi, Beer Cafe (nice, we upgraded :p), to our trio night walks, to the occasional breakup are rona XD. Remember your school time crush, and those sad texts to her, I know I was the culprit at times to have motivated you for that ;p. But you went to salsa night in first year, so points given there. A die hard Ronaldo fanboy, I agree he is the GOAT (after Messi :p). Btw, Arsenal is not that bad a team (to play in 2nd division :p). Just too many things to recall. Keep rocking man, I know you will do great!!!

Sumukh Vaidya : Aur BC. You share my sense of humour and that has led to some hilarious internal jokes and gags together. Thoda chill karna seekh le man, and take care of yourself. Also keep sharing new joke material with me, so that I can laugh internally while keeping a poker face outside. All the best, shadi me bulana, mujhe achha chicken khana hai !!!!
