Anirudh Singhal : There are only handful of people in insti I'm afraid of and you are one of them xD. Thanks to your strong meme game you made the ITSP slot-allocation fiasco a lot of fun. All the best for your future man! <3

Sushil Khyalia : chini sher (racist?) meme lord and full of internet culture references. tere kaaran second year intern was vvv fun. also I am extremely grateful for that kalpit/sachin thread. that's one of the best memories of my insti life

Ayan Choudhary : Wang aka chini sher first year se hi apne cool memes aur movie suggestions se tagdi dosti bana li thi. And tera involuntarily Allahabadi accent nikalna aur fir sath me treats and birthdays me jake machane me maza hi kuch aur tha. Movies, politics aur English vocab knowledge gazab hai teri. 🙌 And same diwar hone ki wajah se vo diwar me thokna bhi Morse code se kum nhi tha 😊(specially h6 ki diwar jo hill jati thi puri) Baki to apan b'lore me Machate h bindas

Sannyam Khandelwal : "Sammy chill mar", "Aadhi ghanta nahi hota, aadha ghanta hota hai", "Mote kum khaya kar thoda" etc. ye sab hi sunte aaya hu 4 saal. Mai change hu ya na hu, tu mat hona kabhi(although baalo ka kuch karle, takla hone lag gaya hai). You are one of my favorite people in life. I'm gonna miss you a lot. Bacha hua 1 saal kaise nikalunga pata nahi. Also, thank you for being there for me. Tu nahi hota toh kya hi hota mera. So long Khopard. PS: I really don't have words to express what do you mean to me

Rahul Manglik : Everyone knows you for the amazing memes you make. No one knows the kind of research that goes into it. Hours of scrolling through comments on every possible site. Anyway, thanks for explaining the history of the memes I had no clue about so that I could (unsuccessfully) try and impress random girls. Also thank you for sleeping on the chair that day in Bangalore xP

Aman Mishra : Yo cheeni sher! Yaar tu kaha kaha comments karta rehta hai XD. True memelord _/_ You have the best vocabulary among the people I have met hands down. Tere arguments gajab hote hai, maja aa jaata hai sunke. Thank you for coming to my room just by listening to Sekiro's sound, means a lot sher. I really admire your in-depth knowledge about a variety of topics including politics and movies. Ye sab to theek hai but best to vo tera UP vaala accent hai XD. Keep entertaining us with your memes forever. Amar rahe, amar rahe sangh ka sher amar rahe!

Drish Mahnot : Wangchuk is to memes what Apple is to phones, bas naam hi kaafi hai to assure you of quality xD Legendary creativity, Tony Zaret se bhi better. The best part and what makes you so fun is ki I can always depend on you to find some humour in any conversation :D Stay witty, "Phutsong"

Aniket Prajapati : You are meme lord no doubt, but your modesty is the best part. Bachpan ki favourite chewing gum and candies se lekar school ke kisse, kafi nostalgic baate ki hai apan ne ♥ You never missed a chance to pull my leg but never to offend. Keep up your witty level.

Gurparkash Singh : Yaad hai, first year me you predicted that I'll definitely get into trouble with the women cell before graduating? Women cell ka gender cell ho gya but I turned out alright :P. Tune infi infi help ki SOPs likhne me, I can't thank you enough for that. Tera har jgah pe funny positions me so jana mujhe yaad rhaga (I have tons of pics :P). Treats pe saath me bahut bakchodi ki hai. Let's get together for another one! Kabhi bhi Chandigarh ya Canada aye to btana xD.

Yash Shrivardhankar : Wing ke Chini Sher!! Tere room mein bhi kabhi kabaar maifil jamane mein khoob maza aata tha! The only guy to give legit words for connect with that next level vocabulary. Cheers to your wittiness buddy! Tu, tere bakchod T-shirts aur water cooler ke saamne kiye hue infi timepass sessions toh bhool hi nahi paunga! Thanks for all those authentic Leh stuff you used to bring. Yaar Leh ka plan banaya first year mein aur abhi tak woh plan hi hai :(. Viral Shah : Chinki mere bhai !!! Definitely the most wittiest person i have been with. Kaisi bhi baat ho usko humorous kaise banaye tere se seekhe koi. Leh wali trip reh gayi warna tere ghar aana pakka tha. Khau gali in last sem is definitely one of the most precious moments in insti life. Uss din kitna khaya hai apan ne. tere pe gussa koi kaise he kar sakta hai, khauf rehta hai ki kahin do-char meme naa bana de. Tum kahin bhi jao kaunse meme page pe post karne wale ho bata dena, follow karta rahunga. All the best for all future endeavours !!

Kumar Saurav : A meme would have been more appropriate here

Kumar Saunack : You and Meet. Completely opposite, yet living so peacefully under the same roof. Yours was one of those rare rooms which was maintained properly. Although, I remember that small kitten which managed to disrupt the cleanliness of your room. Btw, how did you manage to get 35/35 on the HS test? I remember you saying "I don't know" to most of the things.

Shubham Anand : Hey Wangchuk, I hope you remember the weird way in which we called out your name while playing volleyball 🤪. I'm glad that we could finally convince you to leave your room and play. I'm impressed by your unique elbow shot 😊. Your memes 🤩 well obviously meme lord hai tu. Will remember your unique way of magna while walking in the wing. All the best for UPSC. Let's hope we meet again somewhere.

Sarthak Sharma : Yo Wangchuk! I know first year ke baad se touch mai nhi rahe par we share a lot of amazing memories of freshie year! Thanks for always helping me out during all the examinations and also for waking me up for them, those horror movie nights were super cool! You're definitely the wittiest person I have met! Stay the same! I really hope our paths cross in the future and we can make up for the lost time :D

Rohit Banavath : i miss making fun of kung fu, small eyes, noodles and the regular 'chinky jebe' (nothing on you though). i feel sad that i can't roast you on the creation of the pandemic. so, until next time. Zai jian.

Shreyas Pimpalgaonkar : bro, will see you soon, thanks for making my life fun, you really mean a lot to me. i Cannot choose the better Among your debatiNg skills or meme making skills! (both are awesome). i have got to learn a lot from you. keep recommending gooD content! really Looking forward to bangalorE! let's make it even crazieR!

Pragun Badhan : Chinki boii! Tere sath Chandigarh and Panchkula connect mast hota tha, but surprisingly vo second year tak nahi huya tha. Your stupid clever wit is bound to make you very successful in the future. Apologies for the repeated tags on Nutan ke posts xD. 4 saal main you're probably the only Chinki I can distinguish from others. Thanks for all the fun and the memories ♥. All the best for your future!

Alok Ranjan : I have been a fanboy of your memes since my freshie year (and prolly what brings me here). We have never talked in person even though we lived in the same hostel, the only interaction was through the memes, and that is something special about the meme community (ok zyada senti ho gayi lol). Your presence will be missed on Fb, which is turning shittier by the day. Thank you for making us laugh. Fare-thee-well! *Insert Paul Walker and Vin Diesel parting meme, insti junta being Vin Diesel*

Bidish Ghosh : Bruh I feel proud to say that I knew you BEFORE knowing you was cool, i.e., before you became meme lord xD I remember stopping by at your wing in the first year for casual banter at times, and thereafter our stint working together for Pronites (only partly :P) Pretty sure I have you to thank for the TR8R nick (not really) and also for the GPL on the last day of MI, but man you're really fun to hang out with. Unfortunate we couldn't hang out much later; hopefully we'll meet again soon!

Simranpreet Singh : First year mein kisi random orientation ke baad Gulmohar mein sabse pehli baar khaana tere saath hi khaya tha. (Although logon ko pata hi hai) Kaafi funny aur genuine banda hai tu. Wo apne group ki late night walks aur treats vgera miss krta hun. P.S. Teri chappal unintentionally todne ke paise nhi de rha main.:P

Anmol Singh : Wangchuk yaar tu seriously stand-up karna shuru kar de! Definitely many others would've already recommended you the same. Anyways it feels great to have known much more than just the funny you. First year mein kaafi maze kiye hain ikathe hum logon ne♥. Tu, Simran, GPS, Rajat aur mai. SoBo ikathe jana, late night pub mein Karaoke and the trip to that waterfall. Had a lot of fun with you yaar. Senior years mein bhi kaash aur time ikathe nikal pate hum log. Anyways ab Bangalore mein ikathe milte hain fir😊 and vahan jakar job mein bhi course lectures jaise so mat jana😁. All the best for your future Wang and always remain the great person and the genuine friend you are. Stay in touch.
