Drish Mahnot : Never called you Paaji, I think we can stick with the more fabulous JassiP (or LassiP, just came up with it). Always the center of attention xD Sorry, about the cake and generally Chaubal ke saath pareshan karna :P Namya ko kam sataa tu. Bangalore was fun, but you need to start participating in sing alongs xD A fake paaji, but a true wingie (padosi in fact). Without you insti wouldn't have been the same, especially because Soumil kisiko lock nahi kar pasta baahar se😂 Thanks for the free racing jacket, will never forget it <3

Shubhankar Mihir Seth : Jasdeep paaji, aapki bohot saari yaadein le jaa raha hun apne saath, aakhir humne first year se final year tak literally har lab saath kari hai with Pragun. I've always admired how you would keep smiling and never lose your cool! Stay as amazing and stay in touch!

Rahul Manglik : Kiddan

Vihang Wagh : Are mere Dassijeeep <3. Tu bada pyaara meme material hai. Apni yaade bahut hai (Marriot :P) but Scotland trip yaad rahegi. Though the credit for its awesomeness goes to me, the planner, but tere kaaran alag hi maza aaya tha. Tera patience aur hardwork bahut accha hai. Aise hi rehna aur net pe reviews padhke unko grade karte rehna.
..... You couldn't :P
