Kushal Agarwal : Kala, Apes strong together! Thank you for helping me out with P&G. Apke sath poker khelne mein, and Mihir ko pareshan karne mein bahut maza aya. Aage bhi milte rahenge!

Sourabh Surage : kala, thanks for always being there for me and always guiding in the right direction. I still remember how hard you controlled smiling and laughing in the meets... I'll always get motivated by your e-sports story (how you single-handedly managed the stuff), but i'll not forget about you increasing the prize money after so much discussion (hahaha)... Just kidding.. also, thanks for teaching me how to stay calm in any situation (I still remember that issue with that clothing brand and how easily and calmly you solved that) Keep in touch kala..

Sanket Agrawal : Kala Bro! The only regret I have with you is not spending more time with you. From dean office rants to elec rants, there has been a lot we discussed about. It felt really good on the last day of TF'19 to be in the console with you :'). To more fun house parties and catan games! You are a great person, stay in touch! TF-MI bonding forever <3 We really did set a benchmark for the coming generations, didn't we?

Rohan Pathak : Kaaalaaa. Bhai tujhe toh mai apne jaisa noob hi samajta tha. But tu toh OC ban baitha haha. I am very lucky that we had been wingies. Bahut maza aata hai bbey tere saath :) Though we had divulged through the paths we chose, but I think you will always be close to my heart because tere saath ek connection feel karta mai. Thanks for everything bro. And yaad rakhna, tereko 600 deke jo racquet liya tha mai, that was the Best deal in the history of deals hahaha :p Love you mote <3

Aniket Ranade : Hello re, aapke itna contribution mere insti life mai kam log ka hi hoga sayyad. mujhe tolerate karne ke liye bohot thank you. meets mai aap kam bakchodi nahi karte the btw, barely hasi rukti thi aapki. OC meet yaad hai humara eye contact hua neeche jhuk ke hasne lage. Lonavala trip to lit thi ekdum. Post Lockdown to jyada hi bakchodi ho rahi, Catan ho ya PUBG ho. Ab aur late night calls ni karunga mai XD. Hopefully Apartment vali mil jaye aapko GG

Adarsh Rathi : Kala tenure mei sabse best chiz aapse seekhi hai to wo hai "how to make relations", great teacher. Thanks for believing in me with such a responsibility. Aapki patience ko koi match nahi kar sakta :p and all the good cop, bad copy plays. Bahut kuch seekhne ko mila aapse. Sabse funny incidents(although total coincidence) - Aapka achanak se aana and mei apne bhai logo ko aapke baare mei kuch na kuch batata rehta hu and aapko lagta hai hum aapki bitching kar rahe the :p MI mei wo 2 ladkiyon ko approach karne ke liye majboor karne ke liye shukriya, not that something happened :p It was real fun with you Kala, I really miss those meeting threads. Keep in touch Kala

Bhadri Narayanan R : Kala ! I'm sure that you have set a benchmark in terms of how friendly a leader can get with the team and the amount of bonding. From being super active on threads and posts, to still being super active on our group shows how much you value us. Can never forget how calm you were even amidst the most intense of meets and the epitome of messups XD Thanks for having my back whenever I needed you <3 The impromptu Goa trip has got to be one of the best things of my final sem. Please stop rubbing it on my face at least in the future about how chill your life happens to be at P&G just like your last year :P Oh and sutta kam kardo, good for your health.. Take care! :)

Abhishek Singhal : Yo kala, Thanks for making me part of TF family♥, warna insti life itni achi nhi hoti. Aapko ko kitna change hote hue dekha tha from Manager to OC, uske liye respect hai apke liye. Hamare bekar baate aur fights kaise jhelte the aap? Aapse kaafi kuch seekhne ko mila be it compi, workshops or in general cheeje aapka view point kaafi different rehta tha. Apka confidence aur trust team par was the reason ki apna fest itna lit tha. Bhul mat jaana apne baccho ko aur stay in touch!!

Sarthak Nijhawan : Kala bc! Of all people who've tried to hoodwink me all these yrs, u my friend, sit atop that list. Never gonna forget that nick u've given me, pretty sure others won't too. But srsly man, I can never get enough of the way we've interacted all these yrs. Here's to all those quips/slurs we hurled at each other, ur RR during the placement season (PnG nhi kara mei!), all the Tys & srrys :), ur abysmal awping style(nhp bro- we all know that), to that bowling game -brace urself for the next one boi, to all those "bullying" moments- which I still aspire to cont. with, & to all the TF-sponsored food we rightfully inherited * _ *. Ik u'll soon attain that elusive niravana u've been after! So long Golla

Mookund Sureka : IF I remember correctly first day mai tere pass baitha tha convo mei. Fir sayad dhang se baat last year mei hui. Thanks Lonavla mei warna kya hota mera :p. Mast hai tu and stay the same. :)
