Harshita Verma : You hawtie!!! I like how our friendship grew stronger over d years, there r so many insane stuff we hv done 2gether that movie night with Dodal when Mumbai had d mst heavy rainfall :P, eating maggi at late night, cribbing about elec :P, cooking in your room :P setting passwords to enter the room(Julius Caesar) :P , u coming to our room half asleep and cribbing about lyf or talking nonsense :P , my biryani companion n momos too :P . Tu bahot achi fried maggi banati hai <3 . 5th year was d best as I got to know u more n u're a very caring and hard working soul who knows what she wants in lyf n works for it :D And just to end your FOMO we'll go to Ladakh once more <3 Love you loads :*

Mayank Sultania : Yo Pragya! Our whole team always wondered ki app itna manage kaise karte ho plus apne tenure mein itna random baat krte the sab logg ki uske kya hi kehne!! App especially hamesa team ko motivate krte the and abhi apni ek team meet karwane ka enthu tha jo nhi ho paya, kaash apse mulakat ho jati, when we and Hiranya called you late in the night..sorry for disturbing that time. Will always remember the Trips and all, plus do remember your promise to give upsc exam! Apan kabhi toh fir mil paye toh jarur mill Inge... best of luck for the future!

Prudhvi Kavya : Pragya!!! Yaar teri mayo maggi ko kabhi nahi bhool paaungi mai, one of the best Maggis I ever had! Intern ke time pe mujhe shelter dene ke liye thanks :* it was super fun exploring Murugeshpalya with you. You're the most innocent girl I can think of! Keep on exploring ashrams for the art of living and slay the work place in the future <3

Riya Singh : Hi Pragya... You are a very kind person. From my first year, you always treated me as a younger sister whenever we talked. Perhaps it was my inertia that I never came to hangout with your group even when you invited me numerous time during my first year summer. Else I would have that senior-junior interaction hostel culture. All the best for your future.

Gaurav Chaudhari : Status ke gane sun bhi lena kabhi :) I remember that Jaguar ke test wala pen you gave me, I think I lost it :p. You are very confusing to me, will definitely need a lot more time to understand you better. Also, please share the location of that secret pani puri wala.

Divya Maddu : Hey bro! Apna mushroom soup miss hooa :(But yeah, I'm very glad that I got wingies like you. As u said most of our substantial talk happened while I filled water. Initially I was very sad that nobody of my group was present but honestly it felt so nice to have a warm wingie grp like yours. U guys used to randomly include me, be it a bday, or some gossip regarding something. It really felt very nice to have such lively ppl around me. I really used to look forward to see u guys whenever I came to your wing. Be it random hostel queries or just for some tp, I was blessed to have short but wholesome interactions with you and your wingies. Thankyou very much. All the best for your life ahead :)

Snehal Dinesh Bhamare : Hey Pragya, thank you so much 😊. Bhulungi to nahi of course tu b mat bhulna 😊. Stay in touch. I had written on your yearbook wall quite before 😊, I am not able to find it right now. You are such a kind and down to earth person. It felt so refreshing and good to talk to you. Apan saath gym Jane wale the but ditch ho gya 😊. Hope to see u in convocation. All the best, life me machate rhna

Anmol Gupta : Hi Pragya! Thanks for keeping this insaan safe and sane with you :P I also love how much space you give him for expressing his love to me hehe. Ghee wali maggie is legit on top of the list of all dishes I've had in insti, thanks to you! If not for you, I would have never even thought of putting ghee in maggie - aur ab toh biryani, noodles, sab mein dalta hai! XD Last mein Ludo khelna was fun :P May you get what you deserve in life :) ~ First Sautan (?)

Karan Kothadiya : I've found you to be extremely kind and sweet. Thanks for lending me your guitar with the condition that I MUST make use of it, sadly that couldn't happen. Infi respect for you because you manage to do a herculean task, dealing with a certain special person day in and day out :P I'd love to stay connected :D

Aayushi Baheti : We barely knew each other and you let us stay in your room for the summers. You're a really kind and sweet person. Thank you so much for all the help with the room, then and even now! All the best for your future :D

Devyani Verma : Hey Pragya, Thank you for all the help with the room stuff and the littlest of time we spent will be cherished. I love your smile! Amex me sath hi hai apan so hopefully we'll keep interacting regardless of our posting. Sunil B : Han, itna interact nahi kiya tere saath- one regret to take back from insti. Tujhe samajhna muskil bhi tha shayad- bacche ki tarah kabhi gussa, fir do minute me khush. Hamesha itni polite rahi h tu sab ke saath- ki kabhi fursat me maine dua bhi kiya hai ki meri bacchi ho, toh pragya jaisi ho XD. Bas wings ki hi toh kami hai tujhme. Tu khush hoti hai toh sabko khush kar deti hai- toh ye teri zimmedari bhi huyi ki har wo cheez kar jisse tu hamesha khush rahe. Until next time Pragya. Stay blessed...

Mookund Sureka : Prolly the worst lab partner ever award goes to me :p. But during third year intern we had fun and that conversation with that spam guy was cherry on the top :P. I wish i had tasted your famous maggi when I had the chance and not delayed it too much (sad reacts only). And all the best !

Hiranyagarbh Narale : Hi Pragya! I consider myself lucky for working with you during the tenure🌱. You're one of the sweetest and kindest person I've met 🥹! I'll cherish the time we spent together in the nursery♥! Thank you for trusting me to take care of your plant. And yes, uss din baat karke kafi accha laga 😊! Stay the same 🥰! Wish you all the best! And remember we still have a pending treat😋.

Sanket Agrawal : Pragya! Such a sweet sweet person you are and a great cook <3 Thanks for clearing those doubts at the last moment, informing about attendance and what not. Also, I cannot forget the maggi you made for us, the best one I had in insti! All the best for anything you pursue, stay in touch :)

Mrunmayee Gaikwad : Yo Pragya! Tere saath jab bhi time spend kiya, humesha hasi majak mein kiya.. your friendship means a lot to me. Kaash ye last sem saath mein hote n kuch plan karke ghumne jaate. Teri cute si smile miss karungi. Khush rehna and stay in touch! Love ya!♥♥

Ritesh Kumar : Pragya madam. BGF ne kya zaleel kara tha tujhe, itna ki judge karne ke liye home town hi pooch dala. I think we bond well because of that gahoti connect, and dono useless hain wo bhi. Elec ne kya rulaya he dono ko, be it quizzes, exams, labs, infi roye hain dono. I wish for many more Naturals and Apsara icecreams with you. Prom night was fun, apna dhaba was awesome and SoBo trip <3. Bande se milne ke baad party hi badal di maggu, placement sem to beast mode pe thi. After that back to basics xD. Baddy ke liye _^_. Saath me rone ke liye <3. Roadtrip baaki reh gaya he apna but kar hi lenge. Stay in touch.

Anjulata Charan : Pragya bro kitni zyada pyari h yaar tu, jab bhi life k kisi bhi field me motivation chahiye hoga me tere paas aa rhi. Mera final sem tere aur Ritesh ki wajah se kaafi masst ho gya♥. And DDLJ😘😘

Fatima Salehbhai : Hii pragya. I don't think I'll be able to write right now :(. I love you. Jab padhe please message karna. I guess it would mean a lot of we stay in touch <3

Dhruvin Mehta : Hi! Bye! Itna kaafi hai naa? :p. Kaafi limited interaction huaa hai apna, but that was enough for me to know that you are a caring, cheerful person (who sometimes worries unnecessarily). Hope we get to interact more. Machaate raho!
