Sumukh Vaidya : Freshie year ke roomie! Kaafi chilled out banda hai tu, and I enjoyed your rants and random shouting XD All the best for the future, aage jaake machana!

Harshal Pawar : You are the epitome of human emotions, ek sec main life is awesome se you go life is a bitch. Always had a nice time chatting with you, tere bina mujhe insti ka juicy gossip kabhi pata nahi chalta.....cheers to your never giving up attitude

Shobhna Misra : Hey, thanks for helping me out by sharing possible programs I can apply for and the like. Yes, of course, we will continue answering each other's queries :P All the best for your future! :D

Himani Gangurde : Hey Nicho! You happened to be one of the most resourceful and helpful seniors I've come across. You somehow happen to know a lot about everything! I'll miss your special appearances in comp room where you'll come asking for some help but somehow end up helping me and giving a lot of fundae which would somehow turn into hot gossip 🤔 It truly was fun to be part of the weird conversations with you and Harshal 😊

Parth Jatakia : You are someone who is brutally honest and wear emotions on your sleeve. All the random discussions, rants about courses and discussing research have been quite fun for me. Be happy and always be the unabashed quirky person you are !
