Risha Agarwal : Hey Ayush! We didn't really get a chance to know each other better but I'm glad the economics course happened. Cheers to our pav bhaji days, they were the best cheat days ever 🍛 post corona we gotta go to different pav bhaji places in Mumbai for sure!! Good luck for life :D

Namita Soni : Aaayusshhh, vasai gaanv hai :p I feel so blessed that I have a friend like you, thank you for helping me so much in tough times and giving best advices. I'm gonna miss you, icici vale bina pagar kaate chhutti dein to milne aana na :p

Kushal P Yadav : What senti do I write for you! It's funny how one second we have such fun/savage conversation, and it turns into a deep one the very next second. I do feel we should have interacted more, I guess? xD

Tanya Mamgain : Heelo IITian Dubey !! Thanks for the midnight ED lesson in first year to all your help in final year. To all the outing and our goa trip. Startup ka yaad rakhna XD . And miss karna mujhse.

Patel Sayan : Mujhe ek baar itna depressed feel hua ki saala jeene ka koi reason nahi hai. Fir maine tumhare whatsapp status yaad kiye and life main kabhi gully boy se inspire hone ki zaroorat nahi padi

Shruti Iwanati : So glad last year we became such good friends. Mere comebacks abhi tak tere se savage hai. Kitna career discussions kiye hai class ke waqt. PoR bhale hi Fan-on karne ki ho ya Consult Club sab crack kiya hai tune. I will remember your and Pujan's speech at H-16. Best of luck bro. Aise hi machate rhna.

Naman Aggarwal : Dooobey! You're one of the complex personalities that I've known at IIT and I say this because people easily misunderstand your sense of humour, personality and they're really in for a ride if they get to know you personally. I believe am one of the few who knows that side of you. Am a big fan of your straight face humour! You're very hard-working, disciplined and determined and you'll get where you want to be. Looking forward to a headline in the newspapers of you getting arrested for insider trading at Wall Street as some big corporate guy! P.S. Also, our H9 shenanigans (majorly in your room) in the second and third year deserve a special mention (remember that Mood Indigo winter?).

Sriganesh N : Dubey, the self-proclaimed Legend in your popular social media statuses. The best thing about you is your easy-going nature and humorous personality. Maybe this is the reason you get many to go with you on "Marine Drive outings". Our start-up would have been over a year old if you had not quit d course over ur "difference of opinion" with a teammate :P .But we will try and bring it into shape now. I admire your social skills, vocab & passion for languages. Aur tu apne kafi private baate bhi comfortably share kar deta hai. Continue to be witty and hard working. And controls lab me hum teammates the jisme tu sirf non-core kaam karta tha (viz. font size, color, highlighting, bullets set karna)

Pujan Biswas : "To you I offered whatever, it's rights you have already taken over, drop by drop all that I had to offer, you've sipped all sad memories with both your palms filled with that nectar". Sacrificial. Stoic. Sardonic. A person who is so misunderstood that one can do a Black Mirror episode on you. But, it's not necessary to be all "Ekla cholo re" mode always, you have the safety T.A.P. with you Majinne and Mayeyaan. From the 3AM room talks, to insti walks, to pre midsem booze to you being a shit middleman, I am happy that we had the INTEGRATION event. I Can see what you are gonna achieve but I am & always will be proud of everything that you are doing, except the one that you know! Your CTO, Bisso!

Varun Sule : Ayush Dubey, I think very few people can compare to you when it comes to making snarky remarks, legendary Whatsapp statuses, or, coming to a serious note, your perseverance. Tere sarcastic humour ko main abhi bhi decode nahi kar paaya hu puri tarah. Apne dono labs mein toh bahut mazaa aaya tha, nahi toh readings lete lete marr jaate ham. I know apne aage ke plans thode bahut similar hain toh I hope we keep on meeting up, either here or wherever we end up 2-3 years later. Bas mujhe ek baar Vasai ki tour karade, gaav hain ki nahi decide karke batadunga

Anusha Dubey : Hi mera Tuuch <3 pehli baar mile hi isliye the ki same surname hai but pata nahi tha aur bhi kitna kuchh same hoga, I'm talking about the sense of humor and intelligence ofcourse :P You have been one of the closest friend in my insti life, and I have learned so much from you, at every step. Seeing you work so hard and the immense dedication you had even for tiniest goals will leave a lasting impression on me. I will really miss all those amazing outings, our trips, our groups, our serious discussions, our funny discussions, our sarcastic discussions, our accusations, and what not! Thank you for making all of us laugh even in your hardest times. Jaldi milenge (this will be applicable always)!

Jinay Patel : Dubey!!! Freshie year se tu bandiya patane ke liye famous hai 🏠 (bahut log Abhi bhi ye he samajhte hai 😂). Bhai teri writing skills (prof. Sinha vala mail), and obviously your sense of humour (kya faadu comment maarta hai yaar tu) ka alag level hai. Tu H9 se jyada to pujaan ke room pe raha hoga 😂. Will miss your hilarious jokes and definitely, I will keep an eye on your ridiculous Whatsapp/insta stories 😊 Stay connected :)

Atharva Khandait : Yo Dubeyy, probably not the first of his name, but the romancer of ladies and the cracker of sarcastic one-liners and god knows how many interviews. I'll remember all the malls and clubs we visited right from the first year as I saw the demonic evolution of your eating habits. I mean you were practically Jain in the first year, right? That Daman 'trip' and that dance straight from hell(HOLY-CRAP). Also the laser tag sessions that we should have had more of. Dude, your resilience, street-smartness and quick wit will take you places. All the best for the future man!

Mayank Sultania : First time during Mood I, kitne maje kiye the apan ne.. tu kaam ke saath kafi kuch manage karta tha (got it?). Pata nhi tha ki apni last hogi jab apan H 18 mein mile the. Hope to see you soon, machate reh aise hi (kafi sunna hai tere barein mein..Haaha)

Allen Bose : Yo Dubey!! I am gonna miss those jokes of yours man. I don't know how you can pull off those sarcastic funny dialogues one after the other constantly. Your statuses during the exams always made me laugh and light up the mood. It was really fun to be around you dude and I have got a strange feeling that IIT Bombay isn't the last place I am going to see you.

Aditya Patil : First year me jyada dikha nahi wing me but our friendship has grown quickly over last few years. You're the perfect neighbour one can get. I'll miss the “kitne slides padh liye?”, late night random talks, stories and gossips, me crying over my poor formal writing skills and you helping me every time, Sophie year me cycle race to lecture hall (How do you cycle through MB slope so easily?), and lot of other things. Coding toh abhi tak jyada sikha nahi, jo guitar itne dino se padi hai tere room par wahi sikh le. I'll always cherish these memories and hope our friendship grow even stronger. I believe you'll be a rich and successful investment banker one day. Good luck!

Apurv Tiwari : Ayuuuush! Council mein aane se pehle I didn't know you utna apart from random group bakchodi sessions kahin randomly raste mein kabhi kisi ke saath, but working together was fun. Tumne aur himanshu ne interviews cover karke magazine mein infi help kari kyunki wo sabse boring aur time consuming kaam tha (isliye tum dono se karwaya lol sorry :P). From giving random fundae to story replies, and tumhare weird emoji replies to mere random messages is always fun. Stay happy always!

Nutan Megu : hey MR obnoxious,,, i knw u always joke and make fun of urself but u r genuinely smart and so fun to be with.. n bro ap kese ho itne jada hansm meko ab tak samjha nai.. u r a very nice person and i love how u been sucha good fren to all of ma frens ,, i will always rmmber ur self obsesd personality its uniqye.. kabhi future me anusha ki shaadi me milte hai

Bhatt Maulik Chunilal : Dubey, the cool guy of our batch. I will not miss you because anyways teri epic whatsapp stories se saari updates milti rahegi XD. Kuch PORs toh gareebo ka liye chhod dete sir. Lectures mai kaafi mastiyaan ki thi saath mai, specially on blackboards. Your sense of humor is too good. Aise hi machate rehna life mai and stories daalte rehna! <3

Yash Kothari : Mr. Dubey. First year me Chem lab and Physics lab ke experiments karne me kaafi help ki ek dusre ki and kaafi jugaad bhi lagaaye calculations me. Tu kaafi machaau bandaa hai and POR kaa to god hai. Aur kaafi funny bhi hai. Last sem me EDO me same team me aaye to team meetings and presentations enjoyable ho gayi. Bas ab Nelder Mead waala code jaldi se niptaa de aur EDO me AP dilwaaa de ;p. Life me aise hi machaate rehnaa aur kabhi hume bhi yaad kar lenaa :p. Aur haan, kabhi teri legendary stories daalna stop mat karna. P.S. Agli baar jab bhi milenge gudgudi zaroor expect karna meri taraf se.

Abhay Jindal : Hey Dubey! one of the most machau persons that I know. I will surely remember all the drinking parties we have had (and also all crazy sheningans while drunk). Infi treats pending hai teri. Meri vo sunny waali pic baar baar upload karna band karde (nhi toh tera daman dance pakka viral hoga) 🙄. Hedge fund pakka start karenge future mein... Hope that your lifelong dream of living in Mumbai gets fulfilled. All the best for future and stay in touch ..

Shubham Punjabi : Yo Dubey (the real one 😊)..(the man, the myth, the legend 🤩). 3.5 saal tak humne teri legendary statuses ko sahan hai, and tune humare lame jokes jhele hai 😂(let's forget that one time Xd 😊). I will always keep coming up with legendary responses to your stories. Jokes apart, you are the kind of person who has really bounced back with even great force to whatever life has thrown at you. I really love your spirit man. Keep that fighting attitude going always! And HBS to saath mein challenge yaar apan pakka..tune to GMAT phoda hi hai 😎. Milte hai soon, I hope you can forgive me for my awesome comebacks and lame jokes 😊!

Harshit Sanjay Kothari : Legend IITian Dubey :p Typical dialogue whenever we have gone out to eat - 'Kya perfect life hai yaar meri.' Hope it remains so ideal. Still remember that incident jab apan wapas insti a rahe the aur wo auto wala gaay ko hatane k liye horn bajara tha. 😂 Thanks for giving very little work during the tenure. Thanks for all the advice and treats. But 1441 pizzeria jana reh gaya. Best pizza ever hai waha ka. Chalthe hai sometime soon. Good luck ahead!
