Varun Patil : You are THE most dependable, fierce and steadfast friend I have ever had. Memories, post-light-out conversations and trips to CST are too innumerable to pick out a few, so I won't even make an attempt. I can say for sure though, not just the last four years, but the rest of my life wouldn't have been the same without you <3

Abhinav Jain : You gave me the best ever birthday gift in my whole life... Bhai ne mere 49k ka amount reimburse karwaya! Working with you always kept me on my toes as you have always been the punctual one :D I am glad you were a part of the tech council nhi toh Shobhna aadhe tenure mein hi pagal ho jaati xD

Nautatava Navlakha : The one next door friend who's always there for everyone. Jab bhi kuch chahiye to this guy always has stuff. Wing ka koi bhi plan ho, bhalehi sab kataye, always dependable... Hamesha aise hi rehna. Itne saare plans iss covid ke bekaar kar diye, but ab lockdown ke baad ek trip pr to chalna banta hai. Looking forward to see you again. Jald hi milenge♥

Chirag Singhal : Hamesha last moment exam ke pehle padha dene ke lie dhanyavaad aapka... Baaki wing ki baate wing mein hi rahe to achha hai...😂😂

Pranav Pable : 🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏! Kidhar bhi kuch bhi galat ho pehla call apko hi. Life me bahut pain Aya but apne kabhi disappoint nhi Kiya. The worst thing about you leaving insti is now I can't run to your room and scream/bitch about some random asshole. From the second year till now, your room has always been the place where I could feel at home. I will always be grateful to you and varun for that. You are one of the most fierce and badass people I know. Also, let's have a VC with the wing and decide who killed the fricking tiger.

Apoorva Singh Gangwar : Ab kya hi bolu sab janta hai tu, bahut si memories hai apni... Bas yahi kehna hai ki " Beta hai tu mera!! "

Sanjay Khatri : Mayur bhai!! Apna badhia raha hai hamesha se. Badhia aadmi hai tu. Always there for all of us. Badhia memories since first year. Kaafi time se apanne milke woh udham nahi machai. Milo jaldi bhai

Shobhna Misra : Thank you for being the life-saver that you were throughout the tenure. You had one of the toughest jobs, and you did it quite well! It was an honor to have worked with you. All the best for your future! :D

Aashay Biyani : Mayur, the calmness and sweetness with which you dealt with all the problems during tech meet is something I look up to. We did not connect much post meet, but let finally have the treat that has been pending for so long.
