**Pushan Bal :** Behere!! The guy who always brings back some weird memories. You and Mannat fighting like an old couple was a treat to watch. You are fun to be around and genuinely smart though show that so rarely :p. I miss playing baddy with you and hitting smashes on people's faces! Ab to mobile phone naya kharid le. Please stay in touch.

**Chinmay Kalra :** Behere bhau...one of the later entrants into Bhh. Tera abusive banter (including your swag English pronunciation) with Mannat and Sridhar was epic. And how can one forget tera tuta hua phone and laptop. Your general knowledge on a vast variety of subjects was astonishingly rich. Meri advice le aur UPSC dede, tu usme macha dega. Hope ki future mein toh tu roz nahana start kardega 😊. Thanks a lot for everything bhai...u were awesome!!

**Mangal Mannat Piyush :** Behere, I doubt anyone even calls you shubham these days! I remember how for every gali you have the same gali as a response. tere sath ladke bahut feel ya hai ye 4 sal. tune bhi bahut are logon ki bitching kari hai pit piche, don't worry wouldn't rat you out. Hopefully tune roj nahana shuru kardiya hai and continue karega. I admire your knowledge on GK and yes UPSC de sahi rahega tereliye, warna vaise bhi kuch sal me ambani ki kursi pe baithne vala hai tu. Don't forget to invite me over your lavish residency for meetups. Let's keep in touch cheers!

**Amit Gangurde :** Behere bhai! I have survived you for 2 years and now I think I can easily survive any other roommate, so thank you for that 😂. Even though you don't take bath for weeks, tu dil se kaafi saaf hai bhai. And sorry because I know I must have irritated you a lot in these 2 years. Tu kaafi intelligent hai bhai, ye tera GK and conversations dekhke pata chal jata hai. Mannat aur tere jhagde dekh ke inhi maza aata tha. Chal ab nahane ja.
