Modani Abhishek Sureshchandra : SwApO!! Aadmi ke sharir me baccha :P. Bhai ke mood swings toh ladkiyo se bhi khatarnak hai. Swapo "tu yaha pe aaya hi kyu?! (baarish me)" will be the most memorable moment in our journey. The most kind hearted and sweet person (ye toh shweta bhi bolti hai). Ekdam tatti PUBG player and revive na karne pe ruthne wala, Redbull pike high honewala aaisa crazy friend hai tu humara. Bhai itna handsome hai fir bhi kabhi ghamand nai kiya. Itni sari trips and treks kiye hai sath me, we all really had the best time of our life. Abb banglore me jake pehele teri tinder profile banaenge. Cheers and see you soon bro :D

Prabhat Chowdhary : Swapoo!! Bhai ka song selection sabse zordaar - introducing us to "bol na aunty auu kya", "jhumru tu to taadi pi k nache re" and a few more. He will complain more than anyone else, and be even more fun everytime you meet him. He will always have the attitude of never giving up and end up cursing himself for not being better. Bhai k dance moves pe duniya fida hai. Bhai fitness enthusiast and pro drummer bhi hai. He has been a constant moral support and a personal detox doctor. He has a soft corner for his beloved lab. But sabse crazy cheeze hai bhai ka dil !! His care and love has always won hearts of everyone around him.

Shivanshu Pandey : Roommate ho toh aisa!!..... khane pine ka poora khyal rakhe..... bas aur kya chahiye..... ;) New new games se introduce karna, Google pay mein 800 milne pe nanga nach karna, Master aadmi hai bilkul, DEV MANUS!!!!

Chandan Choudhary : Swapo bot haai haai, are swapo bot haai haai. Swapo pubg me tu khudko noob samjhta hai but, in real life u are a pro. Such a caring and selfless and down to earth person. Sober hoke bhi bhai ek dam machata hai sath me. Wo Manali wala trip yaad hai :p. Hope to see u soon bhai. Qualcomm me ek to pata lena bhai!!!.

Romil Jain : Arreee Auntie!!!! Ye hai group ka sabse sensitive ladka. Choti choti baat ko dil pe leleta hai...par apne dosto ka kya khayal rakhta hai.....Pandeyji pe toh jaan chidakta hai :p Always keeps on making weird moves and faces and keeps entertaining us. His cupboard will be full of stuffs from DMart out of which he used to get hardly 50%, bhai aise cupboard open rakhega toh dusre toh attack karenge hi na. Bhai iski smile pe toh ladkiyan fidaa haii par bhai apna itna down to earth ki maane ko tayyar hi nahi. Bhai don't underestimate yourself!!! Will miss your company bro!! All the best for future !!!

Shrikant Charthal : loved spending time with u swapo. such a wit and sincere(also shy). bhai hamara itana smart h but aajtak single. started questioning "itana bada hoke bhi games khelta h" but ended playing pubg and brawlstar with him. I remember an incident in pubg where u were knocked out bcz of me near bridge and fortunately revived u. bhai ka gussa aur mood swing kabhi bhi aa sakte h. but hardly u can hate this guy. gusse me bhi pyara lagta h. always loved sharing thoughts with u.

Sagar Ganpat Sangodkar : Most kind-hearted, always motivating and helpful person. The maggi which you made when there was no mess and various cookies you used to share when one comes to your room will always be remembered. We were together since day one when our names were announced as dsp RAs, and remember the treat Gadre sir gave just after that announcement? I will miss your company my best-friend, my DSP Lab mate and my final year neighbor. Stay happy and keep rocking like you do always. And don't forget that lesson learnt from our second years, I hope you got what I mean ;). Stay connected
