Anuj Sethia : Aag laga denge...!!!! Bapu our swagster boy...always with fire and on fire, Bhagwan ka best friend, aswani ka crush, and most important jinger ka roomie. Jinger tere bina kaise jee payega. Bhai splitsvilla aur roadies dekhna band karde usse better cheez mil jayegi terko.

Kapish Singh : Bapu!!! Tera swag alag hai dope chadao kaand karo.. sahi hai tera..Tu kafi cool banda hai tune kafi help bhi kari hai insti time m, I will never forget that.. Tu acads or chill marne m kaafi sahi hai.. Ye to mereko bhi seekhna hai terese.. Tu kafi sahi aadmi hai re.. Humesha aise hi rehna or machate rehna life m.. Baki milte to rahenge hi apan log.. Udaipur aaunga to tu hi ghumaega.

Hemant Sharma : Bapu ke simple moto hain life mein. Subah respect karenge, raat ko sex karenge. Dope chadao, sex karo. Absolute gold.

Naveen Kumar Yalal : Baapu! yr bomb(patakhe) mat phoda kr bhai, aur teri kisine leli toh tu out of control hojaata hai aur Moti uski bali hone se bach gaya saala. Kya maza aata hai tereko billi ki lete hue, aur yeh matchsticks se pata nahi kya kya kar leta hai abhi tu. Darr lagta hai kabhi kabhi tere iss fire skills se, smoking se toh duur hi rehna be. Spilts villa, roadies dekhna kam kar do abhi toh bahut vague cheezein hai. Yaad hai apna wing poora saath mein CS khelte thei, bhai kya faad reflexes hai teri ek baar phirse khelna hai yr woh. Waise tu bahut disciplined hai, waise rehne ki koshish kar. Aur baaki toh machate rehna.

Sanit Gupta : Bafu, pehle ek aadh saal toh shaad apni baat bhi nahi hui thi and ab dekho mera dope shope chadane wala bhai ban gaya hai tu. Infinite maze kiye hain apan ne jo idhar likhe nahi ja sakte. Jahan pe bhi jaaye life main, ek fire extinguisher rakh liyo saath main. Bahut zaruri hai tere liye. And yaad rakhna, liefe main jo bhi chal raha ho, duniya ke jis bhi kone main hon, splitsvilla hum saath main dekhenge.

Mohil Patel : Bapu hostel life ka aada time mene teri room me he bitaya hoga. Pura time to tere room me rahte tha apan sab, tu me jinger verma and shirkant. Kya he bakchodi karte tha apan log. Tera aur jinger ka be alag he chalta tha, punjabi gaane guess karne ki game khelta rahete the dono. Tu nahi hota to me courses me team kiske saath banata. EDL me, DIP me, Viru ke projects me sabme saathme kaam kiya hai apan ne. Saale tere karan to mene splitsvilla dekhna start kar diya (Waise interesting to hai). Ending with your most favourite quote - "Dope chadao sex karo".

Sahasrajit Sarmasarkar : Bapu, tera life ka motto to simple hai "dope and sex". Waise tu infi bakchodi marta tha saath me acads me bhi macha deta hai. Insti me to kaphi projects me to team tere saath hi banaya aur thik thak stage pe khatam bhi kar diye apan log. Aage bhi aise hi machate rehna..

Gaurav Verma : Baaappuuuuu🥰, yrr apni dosti kese hui main jinger ka dost aur jinger tera roomie bas uske bad kya tha tumhe roj rat ko aakar pareshan karna. Kabhi diwar par chappal chipka deta tha. Kabhi tala tod deta tha. Baki hum dono me ek cheez common he ki pata ni kuch logo ko dekhkar unhe thappad marne ka man kyu hota he🤔 baki phir roj cricket, carrom, TT aur hostel me rat bhar harkate krna sab epic tha yrr. Tughe to mess chalne ke liye jo pareshan kiya he aur tera phir fix dialogue Abhi box8 khaya. Chal phir bhi chips le aayenge. Baki teri shadi to hathi pole me hi hogi🤔, aur ye roj naye naye coupons kaha dundta he free ke, baki tere phone me.meri jitni ulti sidhi photos he vo delete kar de nahi

Yearbook
2020

Kavya Bhandari : My lockdown wouldn't have been as fun without our daily Dominion sessions. Dil se, I respect you a lot for your maturity and intellect. We almost missed our Indigo flight, chilling at CCD XD.

Trivedi Karan Paresh : Bapu! NSO wale din toh kaafi yaadgar the! You torturing the cats in our wing is something that I'll think of and laugh at (I'm totally against animal cruelty tho). Kam bolte ho tum, lekin mazedaar aadmi ho. I wish we had hung out more often. Yeh sem kabo khelne me infi maza aaya! Milte hai jald se jald ek aur game ke liye...Tab tak ke liye wash hands, wear a mask, and stay safe :)
