**Apurv Tiwari :** I had never ever thought ki becoming the TA for one of the most painful courses will be so rewarding that I will find two so nice people and will become friends in no time! And honestly, tum dono ke bina to ho bhi nahi pata. Itne sare random jokes, bakchodi, and wo adhi neend mein last assignment check karna, and of course pan pan pan was the highlight 😂😂 And one of my best outings this sem was that day semex walon ke sath jugheads and then ttt mein sabke sath pagalon ki tarah naachna OMG. All the best for the future :D

**More Shubhali Jalindar :** It's all started on Day 1 at IITB. You received sudden call from me and I only told you to wait for me and not to take room, no other introduction.. and surprisingly you agreed for it 😊. From that day to today our bond has changed alot♥. You inspired me to show enthusiasm in dance, to decorate room 😊, mehndi, to leave my bed-my laziness 🛌. Some things/dialogues are never changed in two years- our after meals walk, ice-cream search walk, cycling, menu mail check karake sona, nhi khana- gullu chale?- veg crispy? sometimes diet consciousness-green tea-fruits.. sometimes bhuk nhi lagi but maggie khaye? 🍷 24 hrs nhi huye 😊, room photoshoot, mere songs-lyrics and tera usko search karke batana, stipend aya chale?, Terese correction karke lena, suggestions, snapchat selfies-cried selfie too, insta pe me hu, tu nhi-tu h, me nhi 😊, day dreaming 🤪, our plannings of ashima ke shaadi, farewell, 4 bacche, and graduation day baccha and our love for sleep..8 hrs✓still remember, we missed a class bcoz of sleep n professor misunderstood #\*^#. It was best time in IIT bcoz of you.. Thank you always. Best luck for future and surely, we'll be in touch 😊😊

**Deepak Mohapatra :** Hey Tanisha! late night ITF project to unexpected meeting at the temple during shiv ratri and was in the same treasure hunt team with Archana also. Cycle me white house dhund ne keliye 20mins lag gaya tha which was exhaustive but very interesting. Camping and trekking me maja aya tha tumlogon ke saath. Tere saath bahut kam interaction hua hai, still u will always be a good friend of mine. Hope, we will always be in touch. Wish u success in all ur future endeavours.

**Anuj Naik :** "Aaj free hai? Garba khelne?" ise na bolna sabse tough kaam tha pure gyra ke time main. It is at the top of my list for 'Things that I missed during my third year'. Aaj tak garba khelne nhi gaya, but jab bhi jaunga, apko yaad karunga. All the best for the future!

**Tanya Mamgain :** Hey Tanisha! Never expected ki jisse mai dance mania mentor karungi vo meri TA hogi 🙏. Aapka garba yaad rahega mujhe :) and it was always great seeing you around . All the best for future ♡

**Neeraj Sohani :** Tannnnuuuu! I've said it before and I'll say it again. Teaching you all in ABCD is one of my fondest memories in insti. We've had so much fun bey, going on car drives to random places, me trying to speak random gujarati, baarish me powai lake pe naachna (<3<3<3<3<3), randomly koi gujarati movie dekhne jaana xD xD. I'm glad I met such a sweet person like you and I wish we'll be the awesome friends we are for many years to come <3. Really hope to see you again before we all part off. I'll miss you. Stay happy, stay blessed ^\_^

**Anusha Dubey :** Tanisha ♡ You are very beautiful, from both inside and outside! Doing Garba and Ghoomar with you in AIDS is one of my favorite memory of last year of college. I loved how I never felt the senior-junior gap between us (though you were once my TA :P) and how you always tolerated my high tempered behavior, really sorry and thank you for that! Our late night talks after AIDS practice is something I'll really cherish, especially your Jamnabai Narsee stories :P Stay the lovely and most charming person that you are! 💕💕
