Yeh eklauta wohi hai jise lab viva lene me bara maza aata tha 😊. You are agile but you have that personality to controll a situation. Rat bhar mera bak bak sunne kliye sukriya. But yeh sab masla jaldi hi khatam hogaya 😊. Kuch bhi ho akhrot bhejte rehna. Good luck 😊

Rajiv Kumar Saw : Bhai tera phone or table ke sath chipke rahna & wo tinder wali kahaniya. Bhai still insti needsa session from you about how to use tinder. Mujeeb bhai & hanan ke sath wo hmara 31st & then mathran & lots of things are preserved in the very core of the memory. Bhut kam log jante hai wo tumhara evening walk wali story 😊. Hmare HSS ke time se suru hue political discussion aaj tak khatm hi nhi hue aur hope kabhi na ho. But still I know Lyrics of Tamanna better than you 😊. Bhai milte rhna & UPSC phodna hai.

Abhishek Bilwal : Hello Raza bhai, stud londa of our branch. It's true we might not have been friends from the start, but with mutual friends n passing time realized such a nice person you are. And jab jan pehchan huvi tab jane ka time aa gaya. You always creates fun and comfort environment in the group. Really gonna cherish time of MoodI, day long activities and late night conversation at dabi's room. Bas aese hi haste rahiye.... muskurate rahiye.

Jasmine Lokesh K G : We might not be on the same page now but tu recycle bin k undeleted item ke jaise hamesha mere memory me rahega. I will always take the positives from our interactions ahead in my life and writing this is one of the steps towards it :) Well, our ideologies may forever clash, but our political views are somewhat similar. You made me more knowledgeable about the world than I possibly could ever have been! You know I ain't going to write anything cheesy about u (because u r a narcissist :P) Anyway, best wishes! May ur thoughts on Twitter resonate with ur actions in future. You are capable of doing that :)

Anjusha K : Raza.. I was always scared of you though you were a charming person. Your knowledge about everything in depth.. N ur special skill to explain anything (even if you haven't heard about it much! Still I wonder how?!).. All these made me feel stay away from u! 😂but fate was against me! We both were together in all groups😂.. Gradually I adapted to yor presence 😊. But now I know, u r the most caring person.. After completing the ppt alone you came with me to hostel so that I won't fall! Who else would do that. Idk. U r like a big bro.. May b bcoz I feel so tiny in front u 😊 Stay in touch.. Will come to Kashmir once..

Vinay Maurya : Mir Sahab!!! Though you did not have longer journey in IITB, still you have left so much memories here. Liked the way you spoke; your confidence and attitude. A wise and charming man. Will always remember the short trips we carried out during Mood Indigo. May God always keep you happy and smiling. Be in touch and best wishes:-)

Neeraj Kumar Burugupelly : Mohd Raza! The big man in the house. More insightful banda. Open minded and easy going, needless to say as a handsome guy 😊. You can literally talk to anyone cool the down and make them understand your point clearly. I am very much impressed with your philosophy and understanding of the things. Your advice still resonates with me most of the times, there many takeaways from you. Hope you are working for what deserve. All the best for your future bro! 😊

Ankur Tiwari : Raza Bhai, you have been a source of inspiration on how to do simple boring things but thoda style se 😎 I remember the first time I saw you, you looked a person with attitude and I judged u and dhanisha as attitude ppl. But when ice broke... We started talking, emerged a brilliant boy whose first motive is to bring their friends closer n comfortable. You have been there as a support for dividing responsibilities from trip to academics in our batch bhai... With our late nights chatter... I must say jo bhi discussion hota tha... I found u the most sane and intelligent... Rajiv to bs 😂 chhodo... Brother u have immense capability to shake up ppl's thoughts. Mera dashing bro all the very best

Tarun Soni : Mir sahab !!#stud_londa. Bhai tune bhi Meko kam bandnam ni kiya tha shuru me 😂😂😂. Jabki stud tere upr bilkul fit baithta h. Book to kabhi dekhi ni tere hath me(ofcourse tune bhi ni dekhi hogi mere hath me) lekin mobile hamesh hota tha vo bhi puri rat. Pata ni kisse laga rahta tha par kar kaise leta tha tu , acads me bhi top , isme bhi Top. Aur tera cheeze explain karne ka tarika, ofo I must say you are the talented guys. Stay in touch and all the best for future

Monimoy Paul : Mir Sahab. Apne batch ka stud launda 😊. Humari mulakat interview ke time hui thi, jab tu mere se baat kiya tha, aur mujhe pta chala ki mere most of the answers galat the test mein 😊. Fir app Yadav ji ke roommate bane aur hamara interaction chalu hua. Pta nhi kaise sara time phone leke baithe rhte ho(*ladki ka chakkar*). Par kuch hi dino mein aapke jaane ka time aa gaya. 😊All the very best for your future. And paisa wins.Always.

Abhik Mandal : Starting from your sitting on the first bench in our class to asking so many doubts (sometime it cleared my doubts too)😊 From arrangement of your laptop in H4 331 to tindar pe kand karna... 😊 Or badme yeasab cheeso ko lake 333 ka discussion 😊 Ohh we had a lot of good time in IITB 😊 Being my only friend from J&K I had a great time discussing about one of my favourite topic... Thanks for everything.. N always make your signature pose infront of a camera as you always do 😂😂
