**Shubham Jain :** Ram+krishna = Ramkrishna, two gods in one person, not so fair!! Yourr enthu and your dedication in tasks that you love is commendable. I owe you one for encouraging me and making me learn Hockey. i still remember i was just doing my regular exercise on ground and you came up and asked to try hockey during the second year. All of us know that if there is any deal where money is involved then you would spare no one to get what you want. And yeah thanks to your resources on past year papers, it really helped us a lot. Just keep helping others and also keep making money xD. I will soon be giving you mine money to invest so make sure to return with high interest!! Cheers & all the best for future

**Animesh Singhal :** Bhai Dakait name toh yaad rahega tera XD. I hope cycles maarni band kardi ho :P.Tera roomie hona bhi apne aap mein mast experience tha. Raat bhar kya ant shant baatein karte they apan. Mujhe apne H16 ka pehela aur aakri din bhi aaj bhi kaafi achche se yaad hai. Shayad insti ke last day bhi vaisa hi feel aata. I really appreciate the way you handled your academics after that yaar. Itna jugaad toh bhai shayad hi kabhi koi kar paayega civil ki history mein XD. Tu machata hai and i'm sure ki tu life mein Wall Street bhi fod ke aayega! All the best for your life ahead :D
