**Tanya Mamgain** : Hey Utkarsh !! And fun with you with the IDC course together and the very few coaching classes I attended XD. All the best for future! Take care :)

**Drish Mahnot** : ROCKSTARRRR (or Bhimsen) Kitna zyaada tujhe ye naam bulaaya hai, until literally everyone knew xD Sorry about lifestyle, Roorkee was amazing though! I have somehow been a part of all your major life incidents xD 2nd year kitna discuss karte the hum, and 4th year was insanely fun too (PS: Thoda control kar ab, excessive ho jaata hai tera) Keep listening to Tame, Momoland and most imp - Tandoori Nights!

**Munesh Kumar Kumawat :** Hi Utkarsh or thisisutkarsh30... Bro you changed a lot from 1st year to 4th year both physically and mentally ( hope you understand what I mean 😊).. Tere liye bhi jitna likhu utna kam hai.... Mere room me aakr bate krna sone nahi dena mujhe... And party(you know what I mean) ke liye hmesha ready rahna... And Juth bol kr Ice cream khilane Bohemia lekr jana...and clg ke bad kya yad krega bol bol kr senti marna.. I will remember all of these.. And Thank you for your help in placement also... And Finally we will meet again.. And party krenge.. Love u so much bro♥♥ you are like brother to me.. And I will miss our insti days.. Socha nahi tha Aache se farewell bhi nahi kr payenge.. But still we will meet... Love u bro.. And Congrats for IIMA.. Video call krte rahna.. And kahi trek par jaye to call mat krna😂😂.. I will miss you ♥♥

**Bhadri Narayanan R :** Yo ameer aadmi :P I'll never forget your upside down with foot on the wall posture while mugging. Your weird ways of scoring in quizzes is still a mystery for me. The time we spent working in mi was filled with so much chutiya and fun XD Case group mein fuck up ho gaya.. sorry? Thanks for having us over at your place and the treat when we were famished and giving your supposed-to-be-retained room in the first year summers. Keep in touch!

**Harsha Rathi :** So this is it. I m finally writing in ur yearbook. I m so bored that i m writing this. but mai likhu kya, kuch acha ho bhi likhne ko. jk 😊 I've never met someone like u (both in good and bad sense). U r the most irritating and yet most fun. I mean one minute u r being so annoying nd then it somehow end up in deep talks. And so many stories of trips.. of your bday.. my bday.. 😊 (you know what i am talking about 😊) and not to forget the MI fashion show👏. Last 2 years were a blast and it would never be same without u in the group. And I hate to admit it but u r one of the few best people I met at IITB and I will miss u so u better stay in touch nhi toh chittar padenge.

**Himanshu Sharma :** Umm...I might register bit late but won't miss the deadline coz I have you and you'll keep reminding me of it like always ;P Aaj bhi yaad hai jb tu corner mai khade hokr apna intro de rha tha saurabh ko, kaisa tha tu, aaj dekh kaisa ho gya. 4 saal mai kisi mai bhi itna behavior nd physical change nhi aaya hoga. Chahe lifestyle convener tenure ho, chahe tera OC tenure, kaafi giveup karaya tune but end mai maza aata tha tere sath, kaafi sikhne ko mila. Be it goa or shimla, bs tu hi tha jo kuch bhi sath krne ko ready rehta tha, sharing room for years was fun. Vese 133 sirf hmne nhi, dogs, cats, pigeons na jane kin janwaro ne share kiya haiXD. wordlimit bc, love u my dyslexo! keep flossing

**Anurag Bhaskar :** Yo mindfreak. Zindagi mei kitne baar khudke per par khuladi maarne ke baad samjhega? Abb toh kam kar. Lifestyle best thing thi tere jo hui tere life mei. Literally saw you grow a little as a human. Atleast fail ho raha hu bolna toh kam kiya XD(IIM mei mat karna yeh sab pls). Forever grateful for the first year waali diwali party. Placements mei bhi kitni help ki meri! Sadly apan vo suit mei party nahi kar paaye. Thailand jaana nahi raha toh Vegas ka plan karte hai XP

**Umang Chhawchharia :** Bro you are trying. Truly bohot maza aaya tere saath pure intern ke duration mai. I could always count on you to say yes to any plan. I remember the hangover in the office and the swiggy guy. We need to hangout more often man. Stay in touch :)

**Arnav Dewan :** Mindfuck God! Matlab bro, har ekk time kisika mindfuck kaise rehta hai!? 🤔 I think over the four years, we have done so much of shit stuff together, whether it be your craziness during the North trip (You know what I mean! 😂😂) or it be mine daily ka cribbing on god knows what weird issues! I enjoyed almost every single moment (tujhe pata hai kaunse mein bt karwaya tha) and seriously you all made it the 4 years worth it! Your free and dope spirit is amazing and always brings fun to the group!
