Razi Ansari : Oyeeee... First year NSO me mile the, phir direct 2nd year me inter IIT me, ek bohot excited si cheerful ladki jo Mood indigo wall pe paint karte karte so gayi thi aur jo humesha Nandan ko pareshan karti rehti thi, that's how I knew you in 2nd year. Third year tak to kaafi achhe friends ban gaye the, saath me inter IIT jeeta, KD me bhi saath me kaam kiya, MI wall ki design me bhi tune help ki, pata nahi tu meri bakwas kaise seh leti thi. Tere ander kaafi pro level skills hain yaar, teri hi wajah se mujhe aaj digital art aata h, tune hi mujhe wacom diya tha use karne. tune hi mujhe iPad use karne diya pehli baar, is support aur kindness ke liye sirf thanks bolna is not enough.

Ashutosh Kumar : Heyyy! Remember our 1st interaction in 1st year KD :P, meine tumlog ko judge kara tha and tumlog ne mujhe! But had never thought that we'll get a chance to work together as a team and the entire Inter IIT, those outings and trip to Mussorie (kya dar darke ghumre the dono xD). I still admire all the posters and designs done by you ♥ and your dedication towards design_/_\ .Hope someday you'll get the chance to work on your dream rather than UI/UX 🤔.All the best!
