R Sucheta : My bestieeeee, pareshaan karne ke liye best person hai, especially when you are studying and DON'T want to be disturbed, GoT spoilers dene wali ladki, Gullu pasta khane wali friend, micro project me saath dene wali friend (even when not in the same group), insti life would have been very different hadn't it been for the time you kicked me out of your room :P (and the rest is history).... Stay tuned for the *actual* senti ... (that'll be next year)

Mayanka Medhe : Sheetu! Tere jitni focused and hardworking person maine kabhi nahi dekhi. I always feel inspired by seeing you work even when you are in your infamous Hulk mode. I still remember how others used to push me to talk to you whenever they wanted to convey any message when you were in that mode. Tbh I was never more scared in life XD. I feel so lucky that I am one of the few people who get to see the fun and carefree side of you. I will always remember all the fun times we shared- watching movies till our eyes hurt, killing Lizzo's cousin, your undying love for McDonald's and so much more. I will miss you but more than that I will miss PZack :p. All the best and ALWAYS stay in touch <3.

Sanket Agrawal : Thanks! :) <3

Sigireddi Yamuna Devi : Mata ji!! Thanks mujhe humesha daantne ke liye, tere liye hi mei apna room clean karti thi lol! Mei kitte bhi ache se hindi seekh lu, tere jitti speed se to nhi bolpaungi ig :P. It was so much fun being wingies with you. Always stay happy!! Love ya :*)
