Himanshu Bishwash : We have had our share of weird incidents in life I reckon. Though you have been super busy most of your life, you would have been a valuable addition to the council. A cherished memory of us for me is the day I tried to motivate you to join the team and we ended up bitching about the quirks of our own respective departments. You are hardworking and caring, the qualities I admire about you. All the best and have a great life ahead of you :)

Gautam Sharma : Gautam, Rinti ma'am se baat hui teri? Kya bole woh? Mere baare mein puch rahe thee? MTP ki date shift karvalen? koi dikkat toh nhi tujhe. Survanshu se baat ho gayi hai meri. Tu bata? HAHHAHAHAH. Best wishes!!! God bless her!!

Ruchika Pandey : Bharti Arora, naak hai ya pakoda? Chal Thrift shopping karein, thoda thoda. I know you have struggled a lot to reach where you are today. It was hell of a journey. I hope you keep the fighting spirit on aur pahunch jaaye jahan bhi tu jaana chahti hai. All the best for future aur pleeeeeeease gheeya tinda banana band kar deXD

Krutika Talegaonkar : Hey bubbly girl!!! One of the girls I first met at the orientation. Full on punjabi kudi!! Tera achar bada yaad aayega and H15 me jab bhi bhukh lagti you were always available with the infinite stuff you had. Thank you for that. We have had our bitter, sweet conversations but keeping that all aside I want to wish you best of luck for your PhD ahead. Tere jitna passionate PhD ke liye kisiko nhi dekha... Baki kabhi bhi kisi se contact karna ho toh batana... Meri networking hamesha haazir rahegi.. All the best for everything ahead and Shaadi me bulana mat bhulana.. Mera toh both side invitation rahega...

Vaghela Sagarkumar Ramniklal : Dear bhabhiji, Are sagar mujhe puchh ke batayega ke wo kab free hoga, kaha hai wo. Baat karte time hilti bahot thi..paheli baar mene kisi khubsurat ladki ke muh se gali suni thi..but tu to gali dete time b bahot cute lagti thi.. I know tune bahot mahenat ki hai to tujhe phd b achhi jagase milega..or mere bhai kya dhyan rakhana..baki shadi me bulana warna opposite se b aa jaunga me...kher bhabhi ji ko mera pranam...all the best for your phd and have a bright future. 😊

Sayan Roy : Hello Bharti, how much tensed are you right now while reading this line? Jokes apart, you are expert in your domain. Have some chill and allow yourself to enjoy your life. I enjoyed our talks, and canteen rush, and restaurant rushes. I hope you will get one good university for phd and never look back.

Shubham Pallod : Hey Bharti, Aurora, I want to see both of you in Norway. The only things that are common between us is probably our PhD ambitions and our anachronistic names XD. Typical bold Delhi girl you are with such a colorful personality. It was good to have a friend like you who was always ready for walks in first semester. And yeah that Sameer hill/vihar lake trip will always be memorable. The way you persevered for your ambitions is inspiring to me and which guarantees that you will get what you want, despite your luck conspiring against you. And, yeah, why not? XD.

Syed Shehbaz Ali : Start girl of BSBE. Confession page ki surkhiyo me bane rehne wali. Status to bohut fadu hote hai tere. HS 791 lecture ke time convocation hall me Mol Cell ka Mendel law padhaya tha aaj bhi yaad hai. Accha padha leti hai. Phd karke badi professor banna. All the best for PhD.
