Malhar Jadhav : Yo Abhilash !! Bahut maza aya tere saath ED lab and workshop karne. Felt really lucky to find a lab partner like you who didn't give any fucks to the experiment and was also okay with me not giving any fucks. Big fan of your chill vibes. I will miss those short discussions which we had while returning from labs. Aise he chill rehna !! and mereko bhul mut jana..

Piyush Kumar : Bachche bro tu kafi chill banda hai bilkul load nahi leta . Tu hi to hai wing me hmesa kisi bhi type k bakchodi k liye ready rehta tha. Inn sab k bich tu full stack developer bhi ban gaya. Infi happy for you bhai. Tu itna dayalu hai ki hmesa apne room ko kurbaan kar deta tha pizza party k liye, wo mai bahut miss karunga. Ek baat ka regret hai tune meko swimming nahi sikhaya. Aise hi life chill maarna, machate rehna and most importantly milte rehna. All the best

Harsh Vazirani : I don't know why I feel like I was constantly dragging you to places and do things you were reluctant to do :P I still feel like you look like an anime character. I love your drunk persona, because it's not much different from your regular persona, except you're laughing a lot. Had fun working with you. <3

Hemil Kothari : "nabalig iska naam, chupke chupke karta saare kaam" tujhe gaali diye Bina din nhi nikalta tha, Yaar tera room to wing Ka hub tha, tune Kabhi mana nhi Kiya room me aane SE 😊. Kala goda festival me alag hi Maza aaya kiu? 😊. Tere room par ikhta Hona kafi yaad aayega. Tu kafi Shi band hai, chahe ghumne Jana ho, movie dekhni ho, pool khelna ho, tune Kabhi na nhi Bola. Allen Bose : Waaankkyyyy!!! Roommates for 2 months, tenure for an year and you were one of the few people in insti who I could actually relate with. Two super lazy idiots, that can easily understand each other. I won't forget all those depressing stories we used to share (about our crushes who were far far away) and those anime discussions. Thank you for making me watch kiminonawa, I keep it as one of my most favorite movies. I am going to miss our small conversations and the jokes we shared.

Vardhil Mehta : 'Yo adult' bolne vala shayad me akela hi tha. Swimmer, coder, ctm aur ab alumni. Bhai apna ek plan abhi bhi baki h. 1 sal aur h mera aa jana bucketlist puri karte h.

Mrunal Chavan : Yo Abhilash!! Yar tera CTM interview main kabhi nahi bhool sakti.😂 Koi third person dekh raha hota na to lagta ki main he interview de rahi hu.😂 Tere se jyada maine bola tha uss din.😂😂 But I don't know why during interview I felt tu infi machaega tera CTM tenure. I am very proud of u.♥♥ Uske baad ek din tu convo ke samne mila tha, mujhe laga tha ki ye to 5 minute bhi nahi bolega😂 bt I ws happy that day after talking to u on all different things going on in life at that point of time.😂 Well u had started interacting.😂 Kafi innovative nd hard working hain tu. I know infi machaega tu, bas thoda baat karna start karde.😂 All d best bacche nd do stay in touch♥♥

Mahale Chaitanya Rahul : Wankyy sale!! Aur me Kya bolu 😂 Couldn't have asked for a better Co. Apni teeno ki wo tenure start wali pic ♥ Design God hai tu sale, aur last sem me suna hai coding God bhi ban Gaya! Design to me bhi karta tha, but Tu Jo karta tha wo kabhi palle hi nahi pada. Apan dono Marathi hoke bhi Hindi ki aadat hogayi hai ab 😂 Koi admi itna kaise chill ho sakta hai yaar. Mafia ka underdog 😂. Aise hi anime suggest karte reh aur apan memes to bhejte hi rahenge ek dusre ko ♥ Tera hardworking nature alag level hai Bhai, trip ke baad ake jab sab soye tu phonathon ki series bana Raha tha 🔥Mehnat karte reh, bohot durr Jana hai tuze. All the best sale, ho paye to wapas ek nashik trip karenge 🔥🔥

Siddharth Mehta : My dear Tanker! Our collaborations are hands down, some of the best memories of my tenure. I don't care about your opinion--you are undoubtedly one of the most talented people I've come across (Although your grooming and fashion choices have some room for improvement). I wish we got more chances to swim! Silent yet observant, patient yet assertive, you are a dark horse that's gonna shake the world to its core. I know it in my heart that you're gonna go places, buddy. I hope you won't forget me.

Mufaddal Bhanpurawala : YO Wanker, from lab partners in the first year followed by SARC then intern, anime till the placement, intended or not, we have always ended up more or less together. In short bohut machaya apan ne. I had say something like let's always be in touch but rather please do pick up calls

Aayush Sharma : Yo Nabalig 🤔!! ab tere baare mein kya hi bolu 😊apna tenure mein alag connect baitha may be that's why aadha tenure mein tere room pada raha tha 😊bhai abhi bhi yaad hai jab summers mein kaise teri phat gayi thi handa aur mera plan sunkar.tere commitnemt was on next level still remember 2 din bina soye bhi tune trip se aakar phonathon PPS ready kiye the wo bhi alag god 🤔aur uske baad se jaise tenure ke saare PPS ka zimma aapne apne kandho par le liya tha ♥.bsdk ek to tere pet mein koi baat nahi pachtai sab ki sab leak kar deta hai bc.baaki bhai kabhi call utha liya karo!!PS-life mein logon ko thoda mana karna bhi seekh nahi to kat ta rahega tera harr baar 😊

Khidir Usama Abdul Karim : Gandu, chutiye aur haramkhor reh gae apan dono. Kab bade honge re apan abhi bhi cartoon discuss karte rehte hai re. Waise tujhe mera ahsaan manna chahiye pitne se bachaya hu mai jab tu nashe me galat harkate raha tha. Aalas ke maamle me tu elite company me hai - Panda ke saath. Hamesha procrastination koi seekhe hamse, seekhe hamese, so learned. Hopefully is instike bahaar jaake tu thodi mehnat karne lagega. Again thanks for all the anime recommendations (that I never recieved). But tera woh poker face best hai, mafia me hamesha successful rahega re tu. Please sirf crush se chat karne ke liye stories mat daala kar, bda hoja un harkato se.

Vittesh Arora : Hey Wankar! Ab kya hi bolu :p. Kitna kam bolte ho aap. Same wing aur SARC me hone k baad bhi pehli baar kitna late baat krni shuru kari thi humne. But uske baad to... Summers me aapka and Handa ka mere room p aake patte khelna jiski wajah se mujhe aapke room p aur ek baar to H7 jaake sona padha tha :'(aapka mujhe interviews ke time meets ki baate batane sab yaad rahega. Stay in touch and best of luck for whatever you do in future <3

Ayush Ankit Singh : Wankie!!! I never thought anyone would come this close to beating me in laziness. But you only came close. All the manga and anime recommendation that we shared and I hope you would be loving Solo Leveling. Yaar tera talent with colors is unrivaled. Alag respect hai how the design team always comes with something more imaginative than already pretty good work. I will never forget our work during Sarcasm. Kitna pareshan kiya than mene tere ko 😂. Yaar regret rahega Mh. Ali ka plan kabhi nai kar pae 😞. We will never forget each other as we would always share all the anime and their memes to each other.

Sigireddi Yamuna Devi : kya? aur kya bolu mei ? XD. I don't know tu mujhse hi baatein kam karta ya usually hi lazy feel karta h baat karne mei XD, but you show it in your work. Tere designs to _/_. Phonathon ke publi posters to bhai mei kabhi nhi bhulungi. Aise hi machate rehna life mei. All the best for your future. Kabhi kabhi hume bhi yaad kiya kar :D. aur kya??

Harshit Handa : Wanky bc 😂, tera design sense gawd level he, tune SARC page ka alag benchmark set kar diya ♥️. Tera tenure wala bday humesha yaad rahega 😂😂, bday ke din kon bhand hota 😂😂, sharma ko gand pe joote maarke uthana pada 😂😂. Handing over pe bhand hoke next level geerte padte dance kar raha tha 😂 (ladkiyo se thapad khathe khathe bacha he 😂). Apna summer me back to back night out marke cards khelna was infi fun 😂😂. But yaar apna tenure ke summer ka vo important kaam ab bhi pending he 😂😂. Aur kya hi bolu 😂, touch me rehna ♥️.

Golu . : I still think of a scenario where I had not called you a couple of minutes before the cake-cutting. Had it been the case, I would have lost a jewel. Although with your not-so-vocal personality we do not have a hell lot of memories, your constant expression and limited dialogues are some of my favorites. Always keep in touch :)
